Video: Various Videos “I love YOUR videos!!!!!!! I wished I could come to your church!!! Your church is the one I have been seeking for all MY LIFE!!!” (Steven)

Video: Various Videos “Hi Pastor Crone, my name is Adiel Medrano, Im 24, Im christian, and I am a Medicine Student from Monterrey, in Mexico. Since I found your sermons on youtube I couldn't stop to watch them all haha. My dad is pastor too in other city here in Mexico, his name is Dr. Luis Medarno, and since I was in highschool I started to have a huge curious about ufos, new age movement doctrines, quantum physics, etc. But don't think bad haha, I mean, I used to buy christian books about all these things, always comparing them with the Bible. My dad started to learn about all this 15 years ago, I consider him a "very open mind pastor" haha because he is not close to learn and investigate about all these things. Blessings. Your brother. (Adiel)

Video: Various Videos “I just received the training course your church sent me! Thank you so much! I came home yesterday and found it laying on the doorstep and couldn't wait to get it open. I was battling the thick taped box with my wives dinky eyelash extension scissors (only scissors I could find) as quickly as I could before getting caught using them for such a wearing task, and to my surprise I opened the box to find the answer to my prayer that I was asking the Lord to answer for the last few weeks. I remembered you saying you were going to send me something but I didn't realize it was a full course of material equipping me for the desire growing within me to fulfill my portion of the great commission. Lately I've been asking the Lord “Please show me my calling, I want to work for you in the way in which you assign me”. So... receiving this package of basic apologetic know how and etc.. really hit the mark. I had wished that it was Friday night so I could stay up late and begin reading into the latter hours. I've been going out to the dark streets and allies of Dallas on the weekends to witness to the homeless and such so as you can see this is a well received blessing equipping me greatly for such a task. I even had one of the most peaceful dreams I can remember for a very long time last night in which me and my wife came to NY and stayed with the Crones for the weekend to have dinner and fellowship with the church who came to visit as we all sat down for feasting and worshiping of the Lord. Don't worry Mr. Crone, I didn't see any chicken on the table and your hair looked much better in person. Lol : ) J/K . Lately I've been re-reviewing the Final Countdown series and making a list of all the prophecies being fulfilled on my laptop so I can later add all the prophecies Christ fulfilled as well as others that came to pass within the bible in order to hopefully put together a cut-to-the chase bible prophecy website in the not too-distant future. I've also been getting involved with witnessing and giving testimony to members of the local new-age/occult movement in order to reveal the deceitful path they are recklessly indulging. However many can't seem to find Christ Jesus for the same reason a crook can't find a police officer. They love the thrill of committing the crime and fear the consequences too much to seriously acknowledge them. Please continue to pray for me and my effectiveness as I will also continue to keep your ministry in my prayers too.” (Lyle)

Video: Various Videos “Dear pastor Billy Crone, we pray for you and your loved one on a daily basis. We wish to thank you for the teachings you made available on the internet.” (Chantal & René from Canada)

Video: Eternal Security “Hello Brother Crone, I have watched your Youtube videos concerning the fact a person can not lose their salvation and can not tell you how helpful they have been to me. I have a wonderful wife that has more faith than I thought a person could possibly have but I find myself struggling with my security more times than I would like to admit. I dearly appreciate you and your ministry.” (Michael)

Video: Radio Broadcast “I heard Pastor Billy's testimony on "Unshackled" on the Christian Radio station here, 107.9 I think it is. It is so funny, I was waiting to meet a friend of mine and just turned the car radio on and I thought to myself...that sounds like the Testimony I heard on the CD that Katy sent to me of Pastor Billy's life. I kept listening and sure enough it was his Testimony how he came to Christ. It just blew me away because Pastor Billy is not "famous" in the way that the ones that come on TV are and that are widely exploited. Pastor Billy and this ministry is so blatantly honest and true that I sometimes wonder if it will change if Pastor Billy becomes televised. Remember what Jesus said when asked how do you tell the true ones from the fake Prophets and Christians..."By the fruits of their work"...I know I am not getting the exact quote but you get the point. I have listened to a few speaker on the Christian radio and they advertise their CD's and DVD's for sale and boy do they make a killing on them. One dvd is \$20.00. Tony Evans is one of them. I like to hear him speak but he is far too commercialized. I don't think it will be long before Pastor Billy is offered a deal and put on the radio or tv if he has not already when offered one already. I believe with all my heart he is truly doing the work of our Lord. I pray with all my heart nothing changes that. Pastor Billy has enriched my life beyond measure. If I have any "treasure" in heaven it will be the result of the effect Pastor Billy's sermons and teachings have had on my life. My staying on the "Christian walk" is also a direct result of Pastor's Billy's teachings. I really look forward to meeting you all next year. (Lynn from Florida)

Video: Various Videos “I just wanted to say you thank you for all you are doing with the media ministry! I live in Johnstown, CO but I listen to the messages on my MP3 while working (currently the Revelation series) all over northern Colorado (general contractor). I first heard about you guys on Dr. Stan Monteth's show; you were doing the "Final Countdown" series. (I have listened to Dr. Stan for many years on KHNC am 1360 here in Johnstown) I am so thankful to the Lord for allowing me to hear your teaching; since that day I have been listening to your ministry when I can, and taking the sermons with me to work. Thank you so much for your faithfulness!! Yesterday I listened to rev. 1:12 (I think it was 12, I listen to three or four a day as God has given me hunger for this series) and you were talking about immediate obedience to God, just as John was to "record these things". And how, through obedience, NFBC was putting the sermons up on the web because you never know who God will reach through that; well here I am.... reached. I praise God for NFBC!! I love the messages. One of these days I would like to take my wife to see Niagara Falls, as she has not yet seen it, and stop in some Sunday to meet you and those on the videos (maybe it will be one of those times when Ed says

"take a chill pill"). Thank you again for your faithfulness! God is good and he is always faithful!!" (Jeremy, Jenni, Liam and Hannah from Colorado)

Video: Various Videos "I've just copied about 40 of Pastor Billy's DVDs & sent them to my daughter & her husband who live in another state. I've said they could make copies of these & hand them out. We have a Bible study group in our home every Tuesday night & make good use of Pastor Billy's messages. You are all very much in our prayers. Your Aussie brother in Christ." (Nigel)

Video: Various Videos "I just received your packet yesterday! Appreciate that very much. Wish I could come to niagara falls, but maybe in a couple of days or weeks I can break loose here. I will now be able to watch online this Sunday morning (just upgraded!) My other computer would not do it, so, we shall see you soon. Best." (Gretchen)

Video: The Book of Revelation "I have just managed to get a small group together to start studying your revelation dvd's. We have watched the first 2 & we are arranging dates to be able to watch the others real soon. I pray all is well over the pond & you are reaching many more people with the truth. God Bless you all in your ministry, that includes all the others that never get a name mentioned.. May our Lord & Saviour bless you always to be able to reach many more with the truth of his word. You are always in our prayers." (Gary from England)

Video: Various Videos "Pastor Billy, Kate, and Crew .....it is good to see dedicated persistent True Christians ..seeking vigilantly truth to handle end times .... getting the truth in the hands of those willing to receive it becomes such a chore when so many continue to reject HIM ..the reason for end of age times ....while RFIDs in satans hands is bad ..it seems that God uses this method between Him and His people when we accept the Holy Spirit chip from Jesus ..who's name is the direct telephone number to God ..who already has each of our individual numbers ..communication to accept Jesus as the truth way life is open to spend our one time free will card to accept the Life of Jesus which is to listen and harmonize our will with His Will and Obey..... we have given up the choice option of selfish determination between good and evil ..satans covenant of confusion doubt multiple choice answers..people need to spend their "freewill card" wisely and come together in the true body of Christ to receive the promises of Peace and Joy on earth as in heaven with "your" Spirit eternal life with God..... God bless and keep you all safe from harm and temptation." (Gerald from Canada)

Video: Various Videos "Hi Pastor Billy, We spoke some time ago and I am glad we did. Just to let you know that Pastor Billy Crone is going to Puerto Rico (Messages). I just got back recently from Puerto Rico on a missionary trip as well as a vacation. I stayed about 3 weeks. I just sent today the "PLEASE DON'T GO TO HELL DVDS" to some sisters I know in Puerto Rico. LORD willing I plan to send more. I thank you for your zeal for our LORD JESUS CHRIST. May the LORD bless you and your family always. By the way, please thank the media department for the sending of your personal testimony to me (DVD and CD). Your Brother in JESUS CHRIST." (Anthony)

Video: The Book of Revelation “hello i just finished watching your latest revelation study. keep em coming! if im still living when the anti-christ comes to earth i just hope i have the wisdom to recognize him so i can avoid him ! the book of revelation says he will enter a jewish temple and claim to be God but what is he changes tactics?” (Kenny)

Video: The Book of Revelation “Great video, infact it was so convincing my mom is pulling me out of school because of the false teachings! I am now gonna be getting homeschooled through an online christian community, and not evolutionary science but the science of God, I can't wait!!!!!! I love you! It took you and your teachings and the word of God to convince her, and Im here to tell you she is a stubborn one! But thanks for teaching that and convincing my mom to get me out of the "Hell" hole! May God Bless You and Your Family Brother!”

Video: The Book of Revelation “Thank God for you Billy, I love you Brother! I can't get enough of your videos!!!!!!!!!!hurry up with chapter 2 57b!!!!!!!!”

Video: Various Videos “The Lord is with you and is using you to deliver his message well done.”

Video: Various Videos “Thank you so much for your videos that you post. Thanks to video's like yours and other research that I've been searching for lately, I am saved. I was baptized 2 weeks ago and found a church were my wife and I can take root and raise our expected child. I'm a young Christian, but i'm also 29 and got alot of catching up to do.

Video: Various Videos “Thanks for your video's (teaching) Please never give up speaking the truth, don't let the critics get you down. Your teaching has got me through some dark difficult times in my life, and got me back on track with God when I I lived in self pity for two years. Thanks for all you. Many blessing to you and your family.” (UK)

Video: Will the REAL Church Please Sand Up? “Why are those in the cults concerned with spreading their message, yet most Christians can't be bothered to share their faith. How true, I'm a pastor's wife, we can't get anyone to do anything, not even put the chairs out. To be honest if my husband wasn't a pastor I wouldn't bother going to Church.”

Video: The Final Countdown “PREACH BRO, PREACH.. gimme more..”

Video: Trusting God in Hard Times (Neil Neumann) “This is very good and annointed,.”

Video: The Book of Revelation “This is great, untill this video series i had no idea of the truh in this book, Awsome!”

Video: The Final Countdown “my dad worked for bill clinton years ago and he quit because he heard him talking about the new age and they where worshiping satan no joke there are trying to kill us.”

Jesus, God thanks so much for allowing him to preach the word! The devil is being ate up by him! Please watch over him and his family, In the fathers holy name, and Jesus Christ, AMEN!”

Video: An Intelligent Creation “Billy amazing video, everyone of them are good!!!!!! I thank God for You! You have guided me to him. I have been with him now for a month, and is so weird how I was so blind as ephesians 4:18 says..:( But now i am good, and all I want to do is learn about God, isn't it wonderful! People who don't have God are so rude, blind, self centered, greedy, picky, selfish, mean, etc...May God help them to guide them to him through you.”

Video: An Intelligent Creation “God Bless You Billy. I would give anything for you to be my dad, or preacher!! You need to be on TBN! Youtube is good though..I just wished you would make a video everyday, I hate waiting ahah XD...anyways God Bless All of

Video: The Book of Revelation “Yes, advertisement. I'm so glad that someone else sees the deception. Finally! Now I know that I'm not alone. Thank you, pastor Crone, for once again bringing out the truth.”

Video: A Young Creation “Keep preaching it brother. I studied physics and chemistry in college. And I have always had a fascination with the Genesis account. Over time, I have come to realize that Genesis is exactly 100% correct. There is no doubt to it. I feel this is the reason that Kent Hovind wound up in jail. I feel that there is a group of very powerful individuals out there that are attempting to silence those that are sharing the truth. Thanks for your time and your hard work.” (Geo)

Video: Various Videos “hi pastor just wanted too say thank you for your words my god bless you to keep preaching the truth thanks. ps has any one told you you look like Jon Gruden the NFL Coach?”

Video: Various Videos “Pastor Crone and crew, I would like the "Will The Real Church Stand Up" and "One Second After You Die" series. I would like to know if you have any of the Revelation series yet and I know that you are not yet done with that one. I am so chomping at the bit (southern slang) for the next video in that series. I have just joined a church and they want me to help out in the video ministry. Maybe we can show this series on Revelation and get all fired up down here in one of those southern churches. LOL Thanks for all you are doing for the church and may God so richly bless you more. In Jesus' Service.” (Mark)

Video: Various Videos “thank you so very much. your videos have helped me greatly over the past months. and i'm happy to say that i have recently been baptized too. please know that the work that your church does here on youtube is greatly needed.”

Video: Various Videos “Hello my Brother; I write this note to you to get information that j' received your parcel. It arrived at the country on September 11, 2009, and j' could withdraw that on September 22, 2009. I quickly not received the notification of l' arrival. I am very content, because I am on this lesson will make us good. Your ministry is very well, when I see that you have knowledge concerning the things of the end of time. As I see l' had said the message " Final The countdown" I seek to translate it into French. L' Church aujourd' today n' is conscious of l' imminence of the return of the Lord. In any case I return thanks to God for your lives, for your availability, your liberality, your love for the brothers... Fraternally as a Christ SODRE Kassoum.”

Video: Various Videos “My name is Shaun , I am a Believer of Jesus Christ and a police officer for the city of ocoee near Orlando Florida. I have been watching with my family your videos, we are being moved to push ourselves away from general society thanks to your teachings. Id move up to NY and attend your church if it were fesaible. I've been chosen to lead approx 45 days from now. This information will been told to

approximately 300 people. In Orlando FL,.. I plan on doing a sorta summerized study group of your sermons. Trying to put all your sermons in a 2hr session is... unlikely.. But I'm doing what I can lol. I've managed to find some of the videos you've been showing your church that I'll use, I.E.- RFID's , Ect. I've got plenty for my session.” (Shaun)

Video: The Final Countdown “Dear Pastor Billy Crone, Thank you for sending my dad the *Final Countdown* CDs. He started listening to them the day he got them. He told me that he listened to the CD the entire length of his trip. One of the longest conversations we have had in a long while was him telling me about the specific events that you explain on your CD about the end times. He is going to give a message to his Bible Study about the end times and he says he is going to use many of your ideas. My dad has been talking about the end times & looking up information about it constantly so I'm so glad that he is listening to a true Christian source. As you know, many people proclaim the message of the gospel, and sadly--don't know the Lord. I have been praying for Robert and so have many other people, including your church members and yourself. Thank you again for your prayers. Robert is going to church every Sunday, is reading 2 Christian books in depth, reading sections of the Bible with me over the phone 3 times a week, and he talks about God and says that he is constantly praying. I'm hoping that he will get involved in the Bible Study at his church on Thursday mornings. He knows and talks about right and wrong quite often. He deals with guilt and says he has trouble forgiving himself. He is telling me that he makes conscious decisions not to do wrong things. Just this week, there was a video game that he bought that was full of cursing, he got *really* upset about it and said that the cursing was not necessary & it was wrong. He said he didn't enjoy playing a game with that much cussing and he is getting rid of it without playing anymore of it. Please pray God will open his heart and mind to surrendering fully and allowing Christ to enter. God is working. If there is anything I can pray for you about, please let me know and I can let the Bible Study at my church know also if you'd like. When I spoke with you on the phone I told you I was having trouble finding a church. I just thought I'd let you know that I have found a church that I am comfortable at and there is a knowledgeable Christian pastor. You, your family, and your church are in my prayers. God bless.” (Rachel)

Video: Get A Life! “Dear Pastor Billy Crone, I have come to know your ministry from someone's comment on youtube few months ago. This email is written to you primarily just to let you know what a blessing your ministry has been for my life. The first video I watched is titled get a life and on I continued with the series of joyful life and worshipful life. I was and still being blessed by all those sermons even though some are preached 3 years back! And there are many more. Having been so much blessed with your ministry, aside from preparing a donation, I would also like to offer your media ministry help in sourcing professional video equipments. Not that I am supplying those things because I just quit working in a dealer, but as a token of gratitude and sometimes there's a noticeable price difference in US vs Singapore, in case there is a need and it would be helpful for your media ministry. God bless you, your family, and your ministry.” (Candra Gunawan Indonesian in Singapore)

Video: Various Videos “Hi there Billy, Just wanted to share with you..... A woman who has been coming to our study for 3 weeks got saved here last night !!!!! Her name is Susan. She is our Chiropractors receptionist. The first week we watched your testimony, and then we started watching "One Second After You Die" Our friends were here as usual, and my husband and I. It was amazing., We all cried tears of joy, and I could swear I heard the angels singing!!!! God bless.” (Patty)

Video: Various Videos “Hey Billy, my mother recently turned me on to you and your church. I must say that I am impressed with the level of research and dedication that you demonstrate in your speeches. Thanks for helping me see the light.” (Will)

Video: The Final Countdown “Dear Pastor Billy, I just wanted to thank you for your sermon series entitled, "The Final Countdown." My husband has been studying the end times for several years, and he stumbled upon your sermons on youtube a couple weeks ago. I just finished number 9 which has "The Letter From Hell" at the end. I felt compelled to write to you even though I am not sure what to say! I just really appreciate your passion and your drive to convict us in to the truth. I knew that things were drawing closer...especially after studying the book of Daniel recently. However, you really have brought so much more to my attention with your statistics and your factual evidence. It has really made me FEAR God more and that is exactly where He wants us. Thank you so much!!!! To God be the glory for this gift that he has given you! Again, I thank you. Sincerely, Darci (Valparaiso, IN) P.S. I have posted this series on my facebook page in hopes that someone will watch it and come to God. I have both believers and non beleivers on my page for this main reason. Please pray!!!!!!!!!!!!!!!!!!!!!!!!!!!!”

Video: Various Videos “I found your webpage through a your podcast. Your video says you can help people find a church. I'm leaving the mormon church because I've come to believe the have a false prophet. Can you help me find a true bible teaching church in my area? I live in Auburn Washington. Thank you for any and all considerations, and thank you for your website, podcast and videos. I don't know if I would have found the truth without them. Blessings and Love.” (Amanda)

Video: Various Videos “Pastor Billy my name is Roy. I Praise God for your video ministry Me and my wife Lisa Love your videos and have Shared them with family and friends Keep up the great work When i first got saved i witnessed to people about how god changed my life the worst thing i would hear from unbelievers was "that's Good for you It's just not for me" I got discouraged by christians I was full of joy and zeal and i would hear "Calm Down " "Your overdoing it" or the worst one " It will go away I was like that at first " speaking of the joy of being filled with the holy spirit. You are right when you said "It is straight out of the pit of hell" I have been saved for 16 years and i am still on fire for God I will NEVER get "over" my salvation. I know only by the Grace of God i am saved and should have been long dead and burning in hell . Praise God for his mercy and grace.”

Video: The Final Countdown “ Greetings Pastor Billy Crone. I just had to take a moment to send you a note. God bless you brother for all that you are doing, for I can tell you I

have never before witnessed a better Pastor, and what I mean by that is your compassion, your absolute belief in what you preach, and the proof that you offer up to your captive audience. I sat yesterday and watched all 20 of the "Final Countdown" series yesterday and I was just in awe. I was praying for a Pastor who preached and confirmed all that I am being shown in the spirit and lo behold someone posted you yesterday. And my spirit rejoiced for there you were. I posted everyone of your 20 sermons to my FB page and so many received them. I have about sixty seven Pastors, Revs, Bishop, Evangelist on my pages and they rejoiced at your message. What is so neat is most of these are born again and most spirit filled. I even had my husband watching your videos last night way past his bedtime and he is hooked he wanted more. God bless you Pastor Crone and continue on with the good fight I am on your side brother.” (Rechandle )

Video: Various Videos “Pastor Crone. Howdy from Oklahoma City! (A place where you can still get away with saying "howdy" on occasion) I just watched your testimony. Very powerful indeed! The Lord truly did a mighty work in you. We definitely have some similarities. You were a very good sport to pull out the mullet pictures. lol! I cannot laugh too much though. I was in the Heavy Metal scene myself back in the 80s and had the "do" to prove it. Thankfully, I've destroyed most of the evidence. ;) I was saved in '98 (6 years after college) but became a sleepwalking Christian for many years. It eventually cost me my marriage. A new Christian (me) marrying a carnal Christian (my ex) was not a good mix. Neither of us was mature enough to put Christ at the center of our marriage. This past year has been one giant call to repentance for me. I've buried that lazy Christian for good. I've ridden myself of the world. It is dead to me. I am on fire again like I was when I was originally saved. I may still fight with a sin nature but I take it seriously now. I won't be so easily deceived in the future.” (Markus)

Video: Various Videos “THANK YOU FATHER GOD.... Thank you Father God for all that you are. Thank you Father God O loving Father... Thank you Father God for your eternal spirit coming unto us Lord... Thank you for your word... Thank you for you Son Jesus Christ and His victorious blood... Thank you Father God for your will coming back to earth soon... Thank you Father God for raising up Billy Crone in these last days to touch the souls of many... Thank you Father GOD for being Holy and defeating wickedness... Thank you Father for planning our redemption since the foundation of time... Thank you Father God for liberty in Jesus Christ alone... For the power to trample on serpents and devils... Thank you for The authority you have given us over SIN and Satan... Thank you JESus ... for being our LORD AND SAVIOUR ! AMEN”

Video: The Attack of the Terrible T’s “Wow to see this list of you who have changed just shows me that God is at work and putting his people together. God proved himself to me this year after i gave up on him. Never did i ever thin i would be at church or give up my few hundred CD's and stop watching my scary movies etc. But from Feb of this year i know can stand listen to my favorite music, nor watch the shows i would normally watch. I put time with family and church above anything that has had my life in the past. Christ is comming!”

Video: A Young Creation “This guy is on fire! I love him, total passion, and wipes out the opposition brilliantly. Keep it up Billy boy.”

Video: Will the REAL Church Please Stand Up? “oh my, did I just get a slap in my face from this message,consistancey not flipplantly....I think my problem is when it comes to study ing the word of God I get frustrated because I don"t understand sometimes,I get discouraged then I dont want to read it.I also have 2 kids and Im a single working mom.PLEASE LORD HELP ME.”

Video: The Book of Revelation “Okay...I must tell you how great and refreshing it is to hear the TRUTH!!!! I've always had buring passion to study the book of revelation and I've been studying it since I was a child. I'm a 26 now. But so many people (especially christians - and ESPECIALLY PASTORS) didn't want to talk about it. So in my growing as a christian I would become discouraged. So many people don't want to follow what's written in the bible from Genesis to Revelation let alone hear about it”

Video: The Book of Revelation “Hello, my name is Daniel and I have been watching Pastor Billy's message's on the revelation's of christ for some time and have been eagerly awaiting every new listing here on you tube. I want to thank you for all the video's that you have put on here to shine the light of Jesus on a dark world. I have watched many of your video's and I must say that they have been a real blessing in my life. Recently I have learned that Pastor Billy will be in a new movie and I joyfully look forward to seeing it. Very recently I have suffered a tragic loss in my life. I know that the lord has been preparing my heart for it but there is so much pain still because the wound is still fresh and runs very deep. A few day's ago I watched one of the latest video's on the revelation 59a/b. I left a comment on the video which was more of a prayer than a comment but it caught the attention of someone who sent an offer of friendship from praise pictures and seeing how it had a very unique and catchie name I look into the channel and accepted the invitation. It was there that I had seen standing firm a pastor's perspective. It was very nice and I thought alot about the thing's that Pastor Billy spoke of, but I did not realize at the time how what he said would take a very large part in my life. On Oct.11,2009 I saw the cousin of the the woman whom I still consider to be the love of my life (next to Jesus) and her cousin told me that she had died in a car crash on nov.5,2008. I was beside myself with grief. That is when all the feeling's of guilt and regret came flooding into my heart. She and I had not been together for many year's but I realized when I heard the news of her passing how much I still loved her. Talking with her family I discovered that she had been attending a church where she was living and it gave me comfort to know that the love of the Lord had drawn her close to him before she passed away. The lord is still working in my heart,my mind,my life. And so I now know that in the end and until the end I will stand firm on the word of God. Thank you, Pastor Billy.”

Video: Various Videos “Good afternoon pastor Billy, my name is Remi, I saw your video about creation vs evolution and really got amazed to know how scientist try to hide the truth from us. My brother is a real evolutionist and is really closed about the idea of Creation. Thank you very much for all you amazing preaching and to explain the bible so clearly. God bless You.” (Remi)

Video: Various Videos “First let me thank you for all your hard work and may God bless you. I don't know when Jesus will return, but I know he will. Until then we will all go through some hard times. Keep the faith, as I know you are and God Bless.” (Rusty from Texas)

Video: Various Videos “All this is so very exiting to me most people think im crazy but i am seeing the final events being set up for the antichrist system and im not going to be hear for it praise god. thank you for your videos i dont know where i would be if i had never found them on youtube. GOD BLESS.” (Kevin)

Video: Get A Life! “I received Pastor Cronos Unshakled personal testimony in the mail today about 5 copies and today I visited my doctors office, just picked up the cd/dvd package from the post office and opened it and noticed the xtra cd testimonial cd disks. At the end of the visit, the receptionist gave me a cupcake. I SAID YOU HAVE BEEN SO GOOD TO ME, YOU GIVE ME SOMETHING AND I GIVE YOU SOMETHING IN RETURN. :) I GAVE HER ONE AND SHE LIKE IT AND THEN I SAID HOW MANY MORE ARE HERE AND SHE SAID A TOTAL OF THREE SO I GAVE HER TWO MORE. I JUST KNOW SOMEONE IS GOING TO GET SAVED, HEALED OR RESURRECTED FROM THE GRAVE FROM THIS EVENT, SOMETHING MIGHTY ...IS GOING TO HAPPEN. PLEASE LETS PRAY GOD DRAWS THESE PEOPLE AND BIND THE DEVIL IN JESUS NAME, JESUS IS LORD. PS. So Pastor Billy if you get any phone calls from a South Carolina doctor's office then you know why :)” (Dan)

Video: Various Videos “Pastor Billy, My name is Justin Boothby and I am a Theology Major at Southeastern University in Lakeland, FL. I am doing a sermon next week on the End Times and Revelation and I absolutely love your sermons on youtube and podcasts on itunes. Thanks.”

Video: Eternal Security “I just watched the above 4 videos on Youtube and now I get it. You're right - common sense. By the way, I have been watching so many of your videos and I hope you keep teaching, pastoring and putting them on Youtube. Thanks for putting up your testimony. Yours is very similar to mine. I hope some day I can visit your church. I pray that God will raise up more pastors/teachers like you. And I give God all the glory and praise.” (Juanita from Chicago, Illinois)

Video: Radio Interviews “Billy Crone, I am a 23 year-old missionary and I am currently doing a 6 month internship in Kansas City, Missouri. I have listened to you on Radio Liberty with Dr. Stan and have to say that I greatly admire your work. I believe the majority of the congregation here lacks the insight into who actually pulls the strings of government (Central Banking, the Bilderberg Group, the Trilateral Commission, the Council on Foreign Relations, etc.). They firmly believe in the end of this age, Christ's imminent return, and the beginning of a new age, but I am not convinced that they know exactly how to read between the lines of Prophetic Scripture (Daniel, Ezekiel, Isaiah, Revelation, etc.). I highly respect your work, insight, and faith, and was wondering if you

would like to come do a speaking engagement here, for I believe your wealth of knowledge would be a vital asset here for fellow Christians to truly understand how a world government, currency, and religion will be brought about before Christ's return and the New Millennium. I still have to get the permission of the leadership, but I do know the evangelism director, who has some influence around the missions base here and he is also an avid fan of Alex Jones, so he is informed about what is going on in our country. I know this might be asking a lot with your busy schedule, but I would love for you to consider coming here to do a sermon/lecture. I thank you for taking the time to read this and considering this possibility to teach fellow believers. Grace and Peace.” (J.D.)

Video: A Young Creation “Pastor Billy, Your young creation series has seriously changed the way I think. I always wondered how evolution fit into the Bible and could never make it "feel" right. I am an upper elementary montessori teacher. I have been trained to teach the "Timeline of Life" and the "Timeline of Early Humans" for the entire history curriculum for Fourth grade. I did this one year, much to my dismay. I asked the preacher at one of the local churches to help me understand how it all fit together. His answer was that it didn't really matter as long as I believed in God. That's great, but it did matter to me. I have three children of my own, and I hope to teach for many years to come. I wanted to make sure I was doing it according to God's will. Through a friend, I learned about your website. I have literally been on fire since then. I have been sharing with my husband, children, and family this series. I also have found a great series that supports this about the solar system. The only other question I have is about the dinosaurs. You allude to it several times, but I can not find where you have preached on it. If I am missing it, please let me know. I really want to understand. Thank you for really telling the truth and not preaching a watered-down gospel. Jesus is great FULL STRENGTH!! In His Name” (Catherine from Tennessee)

Ouch OUWWW WEeee! Pastor Billy will tan your hide. Your Friend.” (Oz)

Video: Various Videos “Hello, Pastor Billy. I am sorry it has taken so long to return your letter. Yes, I have watched your testimony and it gives me great hope that a sinner like me can be loved by Jesus and saved by his grace. The past couple of weeks have been hard for me to deal with the loss that I bare in my heart, but the Lord has been merciful in all his way's and has allowed me to live another day to serve him. Everyday I think about our Lord and I stand in wonderous amazement at what he has done in the world(creation) and in my life. No words of mine can come close to expressing the way I feel in my heart about the way he brought your messages and Kent Hovind's creation seminar's into my life. Coming from a cristian background I accepted Jesus into my heart as a child and as I was growing up I went through alot of changes in my life and in my heart towards God's plan for my life. At times of pain in my life when I was younger I found it easier to blame god for my problem's than to be patient and wait on the Lord for his answer in my life and the result's were disasterous to the point I turned from him and to this world for answer's. The result, drugs, women, and everything I could do to destroy myself all in an effort to have god strike me dead. I longed to die because it seemed to me to be the only way to have peace in my life was through death. And hey, if your only headed to the grave you might as well party all the way, right! Well, I was wrong. I had always been very interested in prophesy and I knew that the end was very near before I turned from Jesus when I was 19 years old. So I kept an eye on the thing's happening in this world mainly conspirosy theories about the government and what they were doing when bad thing's were happing to this country. About the time of the Oklahoma city bombing could see that thing's were not as we had been told and that something was about to rear it's ugly head in this country. It was then that I quit running from god and I met an old woman who gave me some tapes made by church of god evangelistic association with a pastor named David J. Smith. In them I found the Lord's words about the revelation coming to light in my mind and it became a fire in my heart and mind that could not be put out so I studied from the word of our lord in the revelation and Daniel,Isaiah,Ezekiel and many other's. Many year's later my brother found some tapes from Kent hovind about creation and although I believed in creation I had no real meat to hang on the bones until that time. And dinosuars! Amazing! From there I finally found the rock upon wich I stand

removing all doubt in my mind of how this world came into being and Jesus gave me new eyes to see the truth. But I would not have you be ignorant of my sins brother. Up until only recently, a few months ago I was still running from the Lord's will in my life and was still smoking pot and living for myself and not God until I reached rock bottom. At 37 years old I had no job, no place of my own, 2 cars that did not work and all the worldly possessions that a person could need to live. I decided at that point that I had to turn to face the truth and give up my will to the one who mattered most. I had lived foolishly all my life and was without excuse and could not blame God for these problems; it was all ME! I decided to put an end to the things that were keeping me from doing the Lord's will in my life and what he has called me to do. With time it is my hope that Jesus will build me up into the person he needs me to be. I do not know what the future of my life will be, but with the Lord's blessing I am hoping to commit my life to his service in proclaiming his truth through Bible prophecy. You mentioned sending me a video as a gift and although I am not worthy of such a gift I will accept what you feel would benefit me the most in my walk with Christ. I believe that the Lord has set me as a watchman on the tower and I must tell the people who are in my life about the Lord and His plan for our world in his kingdom. No longer will I sit idle and let the people be ignorant of the truth, no longer will I sit and be as the people of the church of Pergamos. I want the Lord to hold my feet to the fire and move me to glorify him. Amen.” (Daniel from Missouri)

Video: Various Videos “I just want to say thank you sooooo much for sharing your videos about the Lord and Jesus Christ and teaching us more about Him and the things that are soon to come. :) This whole earth right now is in desperate need of Jesus and I just pray everyday that more people would come to Him.

But as far as your videos regarding if we were living in the last days, yes I do believe that we are entering the beginning of the end as far as Jesus and His Return. All of the Biblical Prophecies are coming true from war to the growing tolerance of homosexuality all of these evil things that abound the earth. I have heard about this VeriChip (Mark of the Beast) thing and the FEMA camps that they have set up. We are getting closer and closer to those days and all we can do now is get ready for Jesus and his Return and preach the gospel everywhere we can to the very end. God Bless you and keep up the good fight against Satan :)”

Video: Various Videos “Guys they are utterly amazing. My husband and I watched the Second after you die and the 666 one and have started revelations. I am amazed at the content and the ability you have to explain this. We are thinking of doing an in-home Bible study on Revelation using your series and letting your CD's be the teacher. So we are essentially thinking of moving you and your ministry into our house. Praise the Lord. As I watch them I am also taking notes and then writing on them, I hope that is ok. Do we have your permission to copy these? We would like to copy a few of them and give to our unsaved loved ones for Christmas and tell them that what we chose to give them was the opportunity for their salvation. We appreciate these so much. God bless you and don't ever stop preaching God's word. And if you record anything on the current state of the world with the swine flu and such very recent please let me know, so many are being deceived. Your sister in Christ.” (Rechandle)

Video: A Judged Creation “Hey Pastor Crone, Just giving you a quick hello. I really like your Judged Creation series you have been doing. It's right up my alley since that is my favorite area to study. Already have them downloaded and can't wait to share them with my family. I actually have the creation science courses from Dr. Hovind and a ton of other stuff. One thing I have always found interesting in today's churches is we like to talk about God and how great he is etc. and how he is the alpha and omega the beginning and the end. Yet the two things most churches won't talk about is Genesis and Revelation (the beginning and the end). Kind of ironic. To me understanding those two books reveals everything about God's nature, who he is and who's in authority. Anyways I could preach forever on that LOL. Glad to see you drive home on these subjects because I think it is the two areas the church in general is probably the weakest and the devil has used to exploit various deceptions (i.e evolution etc) I'll give you one of my favorite passages: Romans 1:16-25 (verse 1:20 says it clearly..For the invisible things of him from the creation of the world are clearly seen, being understood by the things that are made, even his eternal power and Godhead; so that they are without excuse;) OK, better stop preaching to the preacher LOL. Have a great week!” (Thad from Oregon)

Video: Various Videos “Pastor Crone! Hello! This letter comes to you unfortunately in anger but not toward you! I was actually just writing you a lengthy email and it (this junk machine) just went blank, meaning it cleared off into a blue screen, and I was really opening up to you, more so than I do most anyone else on Earth because you reach out...or at least your witnessing and messages reached out to me more than anyone else does. I am still trying to calm down after all that! Now that I've got that out of my system, back to what I was writing. Also....this may be a rather long email, so please read it at your convenience, don't feel rushed or in a hurry. I'd prefer you to 'listen' to my words rather than just randomly run through them and dismiss them from the screen! My name is Clark, my Wife Theresa and I live here in Michigan. This letter cannot get to you soon enough it feels like. Although I am sure that the Lord Himself is at work as He knows our very thoughts before they are ever spoken or written so this writing is already acknowledged by God before it hits this screen or paper, as the case may be if it messes up again! I am 37, my wife is almost 40. I am sort of cutting to the chase. I have watched several of your services here on the net, and for whatever reason, my interests lie heavily in the Revelations and end of times chapters. Of course all chapter of the Holy Bible are extremely important (for man cannot live by bread alone, but by every word that comes from the mouth of God). This email comes to you not just out of a little anger, but out a sheer sense of joy that you are witnessing to us! Part of what caught my attention with your ministering is when you said that you were at one time caught up in new-age teachings. I pretty much caught on to the meaning of that as I myself was into that JUNK myself! For a long time I felt there must be two sides to every story, or two sides to every coin. Therefore I felt the Holy Bible didn't tell the full story of Lucifer, but rather only the story that 'God' wanted us to know of. That is exactly how I felt. So there it was. The doors...MY doors...were opened to the dark side. I hate to even say it or mention it. But this is true in my life. Yes, I decided there must be another side untold of about Satan or Lucifer...after all...why would a 'high up' angel rebel against God Himself and not care about being cast down???? Perhaps I don't understand much of the scriptures, or even

lack understanding in many areas, but back then it really made sense that Satan was being treated unfairly. From that time to this time there has been a great deal of learning, studying, searching, by myself. I have learned the hard way....not the hardest of ways...but none the less the hard way the path of darkness leads us to. I feel like a sponge just soaking up knowledge. Most time I feel like I pray more than I eat nowadays. That I suppose is due to spiritual starvation. As I said, I am 37 yrs old, I do have a heart problem called cardiomyopathy, it is irreversible. Not fatal as of now but it will significantly shorten my life span. I have spent the greater portion of my life doing my own thing, going about as I wanted, fighting God all the way, not even caring most of the time. You may or may not believe how angry I was at times with God and Jesus...bitter is the only way to describe it. In those times I had many thoughts come to mind against God and Jesus, most and many of which seemed beyond any human way of being angry. Does this make sense??? You may have perhaps heard all of this before....maybe...but you're hearing again from a searching soul, so please do NOT close off your human ear nor your spiritual ears to me. If nothing else, pray for myself and my family. You are reaching out to people... humans... souls...like myself. Your work ahead of you....like mine....may seem overwhelming or larger than we can handle...however it is not. I am reaching out to you because I am searching and learning and yearning for every last word that comes from our Father. I don't exactly know where my path leads to. I am trying like mad to keep on Jesus' path, to be righteous, I have to pray often just to gain knowledge of what is right or wrong in his sight. It's a major challenge! It's sort of like when you are a sinner and do not care, you sin to your own personal delight. Sin all you want. Who cares. Who will do anything about it. So what. Sin Sin Sin. ha ha ha. It is easy, it is pleasurable, and it's fun all rolled into one. And that's what I did much of the time. I did what I pleased. I am not sure if I was really living for me or living for Satan. Actually...that question sort of answers itself ...doesn't it?? Some of what I am writing to you...actually most of it...I don't express to most anyone else. ....Actually I am just waiting for this JUNK machine to shut down on me like it did a few minutes ago. Do not go to sleep yet Bill!!!!!!!!!!!! Hey ....you have preached a lot ... a LOT of true and great messages from our Father.. and you wanted to reach out as you were commanded.....well you have!!!! And I myself am in tune and listening with starving ears brother! The Hour is late, but I am Awake! Actually I am getting tired! So I am going to cut off here and continue this later. I am not trying to just take up your time or bore you to death. I, like a million billion other baby Christians, have lots and lots of questions. So I will continue this letter tomorrow when I am more awake! Pastor Crone...I thank you for the messages you have brought to us, and may God Bless you and your family and friends and all you come in contact with. Talk to you soon!"

Video: A Judged Creation "Dear Pastor Billy, I've just been listening to your sermons on sermonaudio.com. What a breath of fresh air! I live in England (or Athiest Central as my wife and I now call it) and the scourge of evolution here really has to be seen to be believed. The athiests, their god and their high priests (all embarrassingly English) are everywhere. And so is the effect of their philosophy. Sadly, as you have noted in your observations about US churches the churches here either don't wish to discuss the subject, accept it or leave it up to the conscience of the individual ie. no leadership. Anyway, I am attempting to put together a book aimed at the church which pulls together all of the

blindingly obvious reasons why anyone with an ounce of common sense should see through evolution and I'd just like to thank you for the extra inspiration (and some good one-liners) your sermons give me. As and when there's something worth reading I'll send it to you if you like. God bless and keep up the good work.” (Mike)

Video: Various Videos “Hello Pastor Billy, If I may call you that, my name is Luba Uzun from Sacramento. My husband Maksim Uzun just recently spoke with you but didn't reach a verdict. So he has asked me to get in touch with you. My husband and I realized that we are on the verge of seeing every prophecy in the Bible unveil before our very eyes, and that the time is near. We have also been doing lots of research in regards to NWO, RFID, Swine Flu vaccines and etc... and realized that the only thing left for us Christians to do is to let people know the times that we are living in and guide them to Christ. Unfortunately, we didn't know how to organize all this material that we collected and put it together in one message (connecting the Bible Truth to Current Events), which fortunately through prayer I believe that God has sent your wonderful videos that you have put together our way " So thank you for saving us a ton of time". So with that being said I would love if you could send us a free copy so that we can make thousands more and start giving them away for free here in the Sacramento area. My husband and I have been praying a long time for God to show us how we could commit our lives to His calling and He has. So thank you for dedicating your time and energy on sharing the truth you are truly awesome. Well Thank You so much. God Bless You and the Church.”

Video: The Book of Revelation “Hi, I just wanted to take a moment and thank you for these great messages! I am currently watching your revelation series while I work. I have been trying to come up with some ideas to make my own youtube videos to bring people to Jesus. I was wondering if it would be okay if I used a portion of some of your videos in a video of my own? I didn't want to use it without permission. Please let me know. Thanks so much again for spreading the truth! Your messages have provoked me to stand up and do whatever I can to bring more people to Christ! I live in my little box and do what I can from within, but I need to do more. I'm surrounded by compromising christians, like I used to be before my son died, and I wonder if they are true christians at all! I really feel that I wasn't prior to my son's death but I would have told you that I was a true believer....but I was deceived. I'm feeling the conviction to give my testimony and maybe youtube would be a good place to begin. I'm also feeling that time is running out! I want to do my part! I need to do my part! God Bless!!” (Lisa)

Video: The Book of Revelation “hey poster billy, ur awesome..i have watched mostly all ur videos and planning on watching more..thank u very much and may God bless u and i.” (Semoun Pierre)

Video: A Young Creation “Thanks for the video keep spreading the truth. too many people are falling for the evolution religion of lies.”

Video: A Judged Creation “There is no question in my mind that the flood indeed happened. Giants were recorded all over the world too. The evidence is really overwhelming. Our ancestors didn't lie.”

Video: The Book of Revelation “i was falling for all this one world religion of being spiritual and pleiadian message. When i watched Billy Crone as just from boredom, i could not stop listening. This Guy i have learn that everything going on today is stolen from the bible and changed to fit their agenda of another way to believe. I have learn it only takes one time to doubt God and the devil has walked through the door of your soul. And it took God to pull me out of it after that. God Bless Billy Crone!”

Video: Various Videos “I want to thank you brother Billy for all the awesome videos you make. They are very informative. Please keep them coming. Thanks again and may the Lord God be with you always!”

Video: Eternal Security “I was listening to your "Eternal Salvation" cd, of which I believe whole heartedly. The question is I could not write down the scriptures fast enough and missed quite a few of the scriptures references. A very good friend of mine, does not believe in eternal salvation, and refuses to hear the c.d....BUT....she does listen to what I have to say. I would like to bring the scriptures up that you used, especially in part 2. Do you have a transcript, or maybe just list the verses. I would be very grateful if you could. I know you're very busy, so I don't expect a reply soon. Oh if you're too busy maybe someone else could email them to me. Thanks BUNCHES.” (Gayle)

Video: A Judged Creation “Great stuff. God is ready to come again. You better get ready. You don't want to be here during the 7 yrs of tribulation. Better be tight and right. Jesus loves you. and he is the only way.” (Ron)

Video: A Judged Creation “Keep spreading the truth. God bless you Brother. I never knew there was so many different regions around the earth with the Flood story. Amazing.”

Video: Various Videos “If you are close to Billy Crone, please give him a hug and tell him i said thank you for Gods word. last year i was into every religion except Christ. i was falling for the ufo message, nostradamus, all the false Prophets and prophecies alike. I would tell people i did not believe the Bible it must be a Government hand book on keeping us from seeking the truth. I really disliked Church people all together no matter what they were. For the simple reason i never meant a Christian that practice what they preached. I always told God if he could send me a Christian that lives better than i do, i would go to his Church. I always believed there was a God or gods i just didn't know which. So when i prayed i would say, Dear God which ever one can hear me please hear my prayer. i was drifting further and further from believing in a one true God. I used to ghost hunt, talk to psychics, and so on. One day i came across your video on "Are we in the last days" i started watching as a skeptic and before i watched them all i was on my knees talking to the Holy Spirit, and could not control my tears and a feeling heaven must feel like. He told me some things were to happen and im not to worry and tell my wife not to worry that he has his hand in this. And once these things come to pass i am to take my family to His church, he showed me where it was at. My wife thought i was crazy when she came home a few hours later and told me this. She said they are cutting staff

down and with her being the newest one she would have been laid off. She didn't know I just got off the spiritual visit from God. I told her she is not to worry and will keep her job. She laughed at that. There were four people in front of her that have been there much longer. My wife was there less than a year at that time. It took 3 weeks, but God kept his word as he picked off one person at a time including the manager so that my wife would keep her job. Many other things followed and are still going on today. My family and I have had our lives change. Things keep happening that only can be acts of God. I have done what he asked and I will keep doing so. But it all started with watching Billy Crone's video...Oh yeah one more thing..My wife has been battling cancer for three years now and it just kept getting worse. She came back from the doctor on Monday and said she has two treatments left and it's all gone..This was just another thing God told me not to worry. So thank God for sending me Billy Crone or otherwise I would never have known Jesus Christ." (Bud)

Video: Various Videos "Hi Pastor B! I have been sending a friend your media. About 50 DVDs so far. Well, some are of Kent Hovind and Warren Smith, but MOST of them are yours. Like all Final Countdown series and Will the Real Church..." Anyway, he says that he is episcopalian. Since I have known him he never went to church or talked about Jesus or God. It has been almost 2 weeks, I guess and he has watched almost everything - but he says he has questions and does not want to ask me because I am new to the faith. So I was hoping you would email him and maybe he would be comfortable asking you these questions. He tells me that he has done things in his past but he cannot forgive himself. Anyway, he still has questions, so can you please email him? I would appreciate it!! Our family is very blessed to have come into contact with you - I hope you know that. Love your sister in Christ." (Vickie)

Video: Attack of the Killer C's "Just to let you know I was attempting to watch attack of the killer Cs. Well it kept sticking and not playing I started to think Satan was trying to stop me from watching. Guess what all of the sudden it went to the end where Pastor Crone was leading the Prayer! I prayed along with him well I guess there may be hope for me yet. At that time it seemed the right thing to do. PS It played with no problems after that." (Henry)

Video: The Final Countdown "We decided on going to see the movie 2012 today--(first time I'm going to the theatre since getting saved) We are bringing a ton of Final Countdown and Revelation DVDs with us and plan to give them out when the movie gets over as people exit the theatre (while the destruction of the world is fresh on their brains) pray the Lord speaks to their hearts! We have NFBC's YouTube info and the new Get A Life Media info on the back of the sleeves."

Video: A Judged Creation "What are the steps to making a copy of those DVDs because if I know how to, I would have been making copies on a daily basis since I haven't been picked for a job. I notice how a judge creation sermon was made right after I started reading the Bible from page one and ongoing. When Billy was talking about the stories of Genesis and Numbers, I can raise my hand at home. So far I've read up to Judges chapter 17:1-13." (Mike)

Video: Various Videos “Hello, my name is Diana and tonight i heard your sermon on youtube and i was wondering if you could help me with this: i have a lot of problems with stress to a point that im on the verge of a breakdown i need to find a way to get rid of this stress because it affects me in everything i do and in all the relationships in my life. please help. PS: i am a christian and i gave my heart to Jesus when i was 11 or 12. i hope you can help. Thank you.” (Diana)

Video: Various Videos “Dear pastor Billy, just found the podcasts, great work by the way! I'll spread the word to others that your work is on iTunes. As I stated this is a powerful tool against evil, and the previous Christian messages weren't all that good on iTunes. God bless.” (Andy from England)

Video: Various Videos “Hello Pastor Billy!!! I love you guys and your Ministry. I am so blessed by you and your messages and would like to thank you for everything that you have been doing! I was also saved by the Grace of our Lord Jesus from the New Age Movement!!! Now all I can think about is Jesus! All I want to talk about is Jesus! I have a boldness that I never knew that I had after I was saved by Jesus!!! I would be honored to pass around some of your DVD's. Your messages are powerful and passionate. I witness daily and as much as I can. I also do street ministry. + .Please keep up the great work.” (Lea from Canada)

Video: Various Videos “Good day Pastor Billy, My name is Heinzl and I'm in the USAF currently deployed to Kyrgyzstan. My wife and I have been following your sermons since about January 2008 and we love them. We been telling others about your sermons and of the Word of God but sadly enough not everyone is interested. We are saved Christians and a lovers of our Lord and savior Jesus Christ. Anyway, I hope you have a blessed day today and I hope to hear from you soon. God Bless!!”

Video: The Final Countdown “Dear Billy or someone aside him ;) I wish to express my extreme joy after seeing the Final Countdown preeches. I myself have studied history, journalism etc and was always very frustrated by the blindness of people worldwide. In frustration I even turned neonazi for almost a decade, afterwards became a drug addict/dealer and hooligan of Feyenoord (footbal/soccerclub here in the Netherlands)... And then it was G'd himself who took me out of that misery (just as HE had promised my mother years ago)...Now I feel such an immense joy (although I lost alot of friends, my girlfriend etc)... Yeshua is the WAY TO GO and your speeches gives me always a nice boost in doing the things I currently do! So GOOD that I'm not the only one who looks trough the facade of the Vatican, the Governments, the Globalists etc... Revelations is so clear in this! I wish you, with all my heart, the love, knowledge and strenght from our Lord Yeshua Ha-Mashiach / Jesus the Messiah! Shalom.” (Johan van den Top from the Netherlands.”

Video: Various Videos “Hi Pastor, it's Dominick from Quebec. I just wanted to thank you for the package. I was overwhelmed with it. I'm teaching from the principles in the DVD's at my church. I taught “Please Don't Go to Hell” and some people walked out.

Now, I'm not sure what their reason for leaving was but I wonder if the message was a little too hot for them???"

Video: The Book of Revelation "Hi again Pastor Billy, Thanks for your kind offer of freebies. We don't need any as we have most if not all of your DVDs (unless there's anything new) However, we have a good friend in another state who distributes 100's of DVDs & books through his monthly newsletter (Christian), so anything that you could send us, we'll forward onto him for inclusion in his newsletter. We copy many of your DVDs & hand them out to various people. I recently sent a large amount to family in another state & told them to make copies & hand them out also. We're really enjoying your Book Of Revelation DVD series & are hanging out for Vol 11. We are always challenged by what you present as to how we ought to be conducting our lives as those who belong to Christ. It's very encouraging to know that the LORD has raised up men such as yourself in these days of rampant apostasy. Please know that you are always in our prayers. Yours in Christ." (The Taylors from Australia)

Video: Various Videos "I manage to burn off DVD's to hand out (small scale). I don't know how things are in the US, here in the UK many seem to have very harden hearts! but we still need to **sow** the seeds, it's the HS will do the work. keep up the good work, your internet site is valued by many, we need as much light as possible on the www as satan has fully taken advantage of the web. I know for a fact some of the dvd's given out have been passed on to others, the HS is using them PTL. Regards." (Andy from UK)

Video: The Final Countdowns "Dear Pastor Crone and everyone at Niagara Frontier Bible: Thank you very much for all of the wonderful videos and messages. I have listened to Final Countdown so many times and I would like to know the name of the music on the section 4 of 20 of the final countdown. Thank you so very much." (Roselyn)

Video: Various Videos "Hey Pastor Crone, Just writing to let you know that the DVD copying process is in full swing. I have successfully copied and distributed 250 DVDs and counting. Some of them were sent to friends and family but a majority of them I handed out on the streets of Philadelphia. I could feel God's hand with me the whole time, and he has really lead me to meet and converse with some very interesting and down to earth people. Thank you again for the DVDs. They really have helped me wake up, as well as many of my friends and family. I love the series on "A Judged Creation." It

really is incredible how people can quickly refute the obvious facts that God has left behind for us! Sincerely.” (Stephen)

Video: Various Videos “Anyone can preach and read from the Bible. But very few can bring that Bible and Gods word alive as they read and preach it as Billy Crone does. I’m going to Pastor someday. I pray God gives me that passion and gift. God Bless”

Video: Will the REAL Church Please Stand Up? “This man brought the Holy Spirit into my life..I love this Guy, he helped save me and my family from a life without God and most likely hell.That would have been real hell for me,i have 6 daughters,so i get a reminder of hell all the time lol,Could you imagine them screaming at me for leading them to hell ??? I say that jokingly,But i really thank God for sending Billy Crone to my attention and then to God follow Jesus Christ before i was done with "are we in the last days" ..Love ya Pastor!”

Video: The Book of Revelation “As per normal, Pastor Billy is hitting the nail right on its head with all he is saying here. It starts with a small bit of compromise then a little bit more, cartoons are so full of violence as comedy its beyond belief. But we then have the watershed & then after that I do not think there is any compromise at all. We are all being lied to, we are all being conned. Its only entertainment, there is nothing wrong with it is there? we need to turn to our Lord & hold on to him, open your eyes pls.”

Video: The Book of Revelation “This is exactly why we need to remember, as Christians, that Jesus Christ IS the ONLY reason for our celebrating, by focusing upon Him and keeping Him as our FIRST and FORMOST topic of conversation, our thoughts, our prayers, and showing this faith in Him through OUR ACTIONS during the Christmas season and every day of our lives! THANK YOU Brother Billy! As for gifts, family meals and such, we should keep it simple and humble, using this opportunity to share the GREATEST GIFT that has ever been offered and given to the human race! Salvation through the Blood of the Lamb of God, Jesus Christ! Thank you Lord Jesus, my Savior!” (Vicki)

Video: Various Videos “Dear Pastor Billy, Thank you so very much for your package of DVDs which arrived today. My wife and I are really looking forward to watching them all and since I have a lengthy break from work coming up this Christmas then there's going to be some serious Bible study going on! I plan on copying them and giving them

to people whose hearts and minds may be glad of the message of the truth of Jesus. Once again many thanks and God Bless.” (The Routhorns from the UK)

Video: Various Videos “Dear Pastor Billy, Received today the DVD's , wasn't expecting them till after Christmas, nice surprise to have come before the new year, only 10 days, that's good going from the US. They will be put to good use for His Glory! and Thanks again. Love the new website, have linked to Facebook page as well. I've been off work the last couple of weeks (nothing serious, just been working too many hours caught a virus and knocked me off my feet) I work as a lorry driver covering the SW of the UK, my doctor won't let me back to work till he's sure I'm recovered. With my job I have to hit the ground running. Being the type of person who doesn't do sick !!! can't remember the last occasion....years ago, having time on my hands at home as been a real blessing. Time to read the Bible more then my normal daily readings and watch yourself and other pastors on line. I like the way Greg Laurie puts it; the Bible is not a book you read just once, you need to read it daily, you eat daily? you don't say ..food I've done that don't need any more! I think your whole creation series is very good, I can personally relate to the evolution deception as it held me away from God for a couple of decades! I accepted Jesus as my Lord and Saviour seven years ago now. I use to love all the natural history programs on TV, but nowadays end up tuting to myself every time they go on about millions of years and have to turn the tv off! Being bought up though the pro evolution education system this is the MAIN area that kept me from the Lord, as it is with a lot of people today. However the House of Lies is begining to crumble ..but still does not make main news. There are a lot of people here (UK) who think because this is/was a Christian nation ;they are / born Christians WRONG! don't know if you find the same where you are....but we MUST keep sowing, be that link in the chain even if we do not see results ourselves just keep sowing amen. Anyway better not rabbit on too much , I know a Pastor life is very busy. Keep up the good work, stay focused, the Lord is using your site worldwide. I wish you and your family (home and church) a very merry Christmas.” (Andy from UK)

Video: Various Videos “Hello, I have been watching your creation video presentations on youtube and on the NFBC website. I have been stymied for some time trying to put together many of the scientific facts in a coherent way so I could give a reasoning for my faith as the new testament says we should and now I have found your intelligent creation/young earth etc. series. Now I can sit down and take notes since you have already done much of the work I was trying to do. Thank you for your time and also for the videos.” (David)

Video: The Final Countdown “For Pastor Billy Crone,

Hey there Billy, my name is Brent Larcom and I live in a little town called Penfield here in NY state, it's about 2 hours away from Lewiston and NFBC. I just wanted to write to you and give you my personal thanks for the sermon you preached back in April of 2008 "The Final Countdown." It was because of this sermon that I decided to get right with God and start living my life for Jesus, and I praise God that he gave you the wisdom to tell the people out in the world that his Second Coming is close, and that the time for

putting Jesus on the backburner is over. I felt compelled to write this letter to you, and I feel like a new person after being saved. Furthermore, I am continuing to enjoy and learn from the other sermons that are available via the church's site, but I would really like to attend and listen to you preach live during Sunday service. I have mapquested your location and I am making plans to take a road trip to come out and attend, maybe spend the day in Lewiston so that I can catch the morning and the evening services, perhaps this upcoming Sunday actually. It's a two hour trip...but I don't care, Jesus is worth it, and as of right now I have no church to go to. Thank you for reading Pastor. God Bless You!"

Video: The Book of Revelation "Hello Billy, Been studying the revelation series and it is awesome. I have learned so much from this series as we are in the last days. One question, I noticed the last post was in September for chapter 2. When are the other series going to continue? Also is the plan to go thru all the chapters in Revelation? God Bless. Thx." (Jesse)

Video: A Judged Creation "Pastor, Thanks for sending the Judged Creation and Losing Your First Love DVDs, such excellent work and very, very helpful. Perhaps some of the very best work you have done. You're in my prayers." (Rob)

Video: Various Videos "Dear Pastor Crone, Firstly thank you. I have recently got onto your sermons through Sermon Audio at the Underground Christian Network. I belong to the South West Baptist Church in South Australia. I plan to use your sermons as a "launching pad". You will of course be referenced. (I have no desire to make a name for myself. Further I don't think I could improve on what you have done.) So my question: Would it be possible to have your transcripts? If I had them my task of using your sermons as the base for my Bible study would be much simpler. Let me now introduce myself. My name is Helmut Bohn. I was born in Germany in 1947 and migrated to Australia when I was 6 years old. I grew up a Roman Catholic. In 1966 I married a school friend who was also a Roman Catholic. We now have 3 grown children and 9 grandchildren. We found the Lord at the Edwardstown Baptist Church, but its standards have fallen and so we now go to South West Baptist Church where we receive good teaching. We are baptized believers. I sometimes give a sermon and sometimes run a Bible study. I hope that you don't think me rude in asking you for your transcripts: I just found your sermons so good that I will use them as my base and to have the transcripts will make the job of using them much easier. Thank you for your ministry. I pray that Our Lord will continue to bless you. IN His precious Name." (Helmut)

Video: Various Videos "Hello Pastor Billy Crone, Thank you for sending free DVD's to my wife and I. We are almost done with our marketing plan for the Final Countdown and hope to begin distributing and marketing your material in CA in less than two weeks. We plan for an increase of traffic flow to your web-site in the following months; for people to view the Revelation sermon series. A few questions: Is the Final Countdown translated into other languages? If not we are planning to invest our finances into translating this material to Spanish and Russian. Also, would you be able to send a copy of the biblical time line you displayed? Thank you for your dedicated efforts. If we lived in New York we would most likely become members at NFBC. Sincerely." (Maxim and Luba)

Video: One Second After You Die “Amen..his video changed my life..he is surely a voice from God.”

Video: A Judged Creation “I love his passion! God is soooooooo using him!!! God Bless you! I am already sharing this!”

Video: Varous Videos “What ever you do, do NOT stop what your doing. I have been talking to one of the more popular Athiest, and he isnt even denying facts he just doesnt wanna believe because of how "inmoral" god is, so i think we all know who is winning. There is a guy named Harun Yahya, he wrote a book called Atlas of Creation the basically shows that all 250 million fossils they have found refute evolution and shows that they havnt even changed ONE bit. He also has a 7.5 trillion dollar prize reward for ONE transitional fossil. So hope the 5/11 gets done soon and we all know its going to be a masterpiece :)”

Video: What the Bible Says About UFO’s “But When I watched a Video From Billy Crone im not sure wich one it was..but i do know it was talking about UFO's and who they are.Before that i really did not believe in Christ as my savior.But what i want to say is very Important. Now a few months before i watched Bily Crones video i had watched another one on UFO's and how to make them come at your call..Well i was taught to call them by name and they will come.I had my wife and kids out in the backyard having a bar b q and ust enjoying the beautiful nite of picture perfect stars..I said hey watch me bring a UFO at my command.I said these words that started with Yah- i will never say the whole name again.But when i did that they showed up.I bright light right over us,it was pretty far up.But it shot right down toward us and i told my kids to run in the house.Then it stopped stayed for a few seconds then shot back up and left.Thinking that was cool i did it every weeken to show my other family and friends,each time they showed.But then it came to where i did not have to call them.We would see very dark mass of just darkness fly over our heads and black out the stars.I seen it alot but figured it may be just me.Untill my daughter aske me what were those dark things that black out our vision of the sky.Then everyone was asking ..yes what are they.Everyone seen hem but was afraid

to bring them up thinking it was just each our own problem.I just told them it was probly dark matter of energy i read about in school.So they bought it.But My youngest daughter 9 at the time was asking what those things are that keep looking over the fence and running behind the Bushes etc were.She seen them as tall and small.One day in the daytimme she came in frm playing in the ard and i asked her if she was done in the yard so i could water the grass.She told me yes cause those little shadow animals scare her.I had her draw me a picture of what they lok like.They match many testimony photos of people who died and went to hell and others pictures from many other people who seen the same kind.One niite her and my other daughter and wife were taking out the garbage.My daughter came running in and telling me to come look at this thing flying around our house.So as i went out it ha just came from the side of the house and i walked up and followed it from the front of my house to the other side where it flew up into the wind and in back of the house.It stared right at me.I have no idea what it was but heres what it looked like.It was in the shape of a reaper,about 15 foot long and 10 feet wide but looked like silk flowing in the wind.I took my family inside and closed all the curtains and locked the doors.I had no idea what to do.My daughter would always complain of things waking them up and moving there toys around on their beds.I set up a cam and after watching it they were not lieing.It showed as soon as i left the room and walked out,I ball of light follwed me out right behind me.And things did move,the closet door would open and shut etc.I was searching for a way to get rid of the UFO' demons when i came accross Billy Crones video.I was not thinking about God Nor Christ at the time..just another video on what to do.Anyhow this is how i prayed at the end of Pastor Billy Crone and then the holy spirit once i accepted him spoke to me..I was so skeptic of who it may be ..I said this..Im not doing anything yu ask me untill i know im not being fooled.His spirit told me these things will come and you will know i am who i say.Then when they are done you are to go to this Church and be the Christian you have always seek to find in other Christians,And let me be the only Christian you follow and the one you have been seeking.Well all he said has come true,i started the church he shwed me and God has moved me from that house,the house we have if you knew about it..you would know it was an act of God for us to get it.many more things happen before i found Christ and the Billy Crone video..things that scare me to death to even mention it again..Like right now thinking about it i start hyper ventalating and can hardly breath..".What we are being taught is bring hell right in our homes" i do y best to warn everyone.I hope this was not a waste of your time reading..But that name Yah-along with the rest i really am not sure its good..maybe if thats all of it name it is..But with the rest i would not ever say it again..God bless and take care.forever grateful." (The Peters)
