Video: The Book of Revelation “Keep it going pastor Crone!”

Video: Will the REAL Church Please Stand Up? “reading the the bible was a hassle to me but after watching this sermon i found that joy i use to have when i first got save thank you JESUS for giving us pastors like billy to give us that wake up call and i once again got that joy praise be to JESUS AMEN.”

Video: The Book of Revelation “This needs to be spread to others. Too many people are worried about their fav pig skin rustlers and teenie booper stage idols.”

Video: The Book of Revelation “You want to talk about intolerance? Jesus is the most intolerant one who ever lived; and He's our master. Amen.”

Video: The Attack of the Terrible T's “GO BILLY GO”

Video: The Book of Revelation “Enjoyed your salvation message. Repent is an action!! :D God Bless You Pastor!!” (Tom)

Video: Various Videos “My name is Micheal i live in oklahoma part of the bible belt of america. I always attended church when i was younger not because i wanted to but because i was forced to by good parenting, that i realize now since im in my 20's they were only trying to help me (but honestly what kid wants to wake up early on a sunday). And in my attendance i learned about jesus and what he did and how great he was. Then i went to high school and i did everything there was to do played every sport, dated girls here and there and no doubt sinning in lust. My attending church came to an abrupt halt. Now im in my later years of college, ive never been "close" to god i really have no idea what that even means. As bad as i want a relationship with him in my heart i just dont feel like i honestly do. My usual day is going to work, school then coming home to be glued like a fly in a fly trap to my video games. I feel like the matthew west song im going through the motions. I had a friend pass away March 2nd of 2009 his name was Ryan he died at the age of 19. This really affected me because I had always envied him and his relationship with god and jesus he was the type that never cursed, had any addictions, and spend 80% of his time in some form of worship, and this affected me because he was in my eyes perfect and god took him from this earth, and it got me to thinking that could've very easily been me in his spot and im not positive where i would've went after death. I really feel like the end times are near, i've felt this way since i seen 9/11 on television, and i seen hurricane Katrina devastate the Gulf. Im reaching out for help because in your video that was posted on youtube it said if the end times scare you then you're in trouble and i am 100% scared in my heart that my relationship with god just inst good enough and i will be left behind in the rapture. Every part of me wants to be all for god but for a kid that is in college its hard for me to even think of god a major part of the time and i know this is completely against what he wants. I am a baptist and they always preach that if you accept jesus and really believe in him then thats your ticket to being in heaven. Well with that being said i honestly accept jesus there is no doubt in my mind he is real but i just dont feel like my relationship with god is good

enough. I feel like there is a reason i stumbled upon your videos today it being my first visit to youtube and i searched 9/11 hoax and a video about end times came up which i watched because im a firm believer in the rapture and with all the prophecies i learned from attending church when i was younger i know in my heart the time is coming soon. How do you get over this fear of the rapture and be joyful its always scared me to death to think i would be leaving this world behind, my family, my friends would no doubt some be left behind. And my biggest fear that i have in me is being left behind to deal with a national world order and an antichrist. Thanks for your time and hopefully you can help me out. God bless.”

Video: Various Videos “I found your site this weekend and I praise God that I found it. I grew up with the same message and I have spent 15 years trying to find it again, Thank you!! God Bless you and your work.” (Candida)

Video: Various Videos “Hi Billy! I'm a Christian living in South Wales, U.K. and I watch your sermons often. Just to let you know that my mother and I really enjoying watching your sermons on your YouTube channel. :D You have a great no-nonsense to Biblical Truth, not like so many of the unbiblical teachers that are out there. We have said a few times how we wish we lived near your church because we'd be straight there! :D By the way, my first tesimony that I gave last Sunday was inspired by your Attack of the Terrible T's Sermon. Very powerful indeed! God bless you, your family and your ministry. Speak soon. God bless! :) P.S. I love Chicken!! :D” (Joshua)

Video: The Book of Revelation “I liked the joke about toilet paper...."Do you crying every time you do that?" That was a great use of comedy to teach people the Word. When they are laughing they are paying attention! It is reaching them on a deeper level too, the subconscious level of awareness. I am from Hollywood and know a lot of famous people, but that doesn't really excite me that way speak with you would. I really am a big fan of your teachings. I love how you don't rush your teaching and how you are so focused on the Word and not all that mumbo-jumbo many pastors these day try to pass off as the Word. I don't want to name names, but you know who I am speaking of with regards to the TV preachers. Some of them don't even know the Bible all that well.” (Craig)

Video: Various Videos “Hello Pastor Billy! You Rock! Love your videos and I want to help spread the word to the world. You've opened my eyes. Pastor Billy, I love your videos! You have a wonderful talent to be able to talk to the people for the LORD about the LORD MOST HIGH AND JESUS. Keep it coming man. I just wish you had some of your vids in spanish, so I could distribute them to my familia. Peace to you brother.GOD BLESS.” (Tito)

Video: The Final Countdown “I'll be watching more of The Final Countdown tonight(yes!) Thank you very much for breaking everything down and providing fact after fact after fact!! I love it! I just got outta Arizona after having an amazing experience!! (lived in Lake Havasu City for a year and a half) It's a shame the people out west know what's goin on and don't care and the people on the east seem to be totally

oblivious to it! You tell em to open their eyes and believe, and they can't! What's the best way to fool people? Throw the truth right in their face and tell em it's just a movie! God Bless You Sir, you're definitely on the right path! If you need anymore proof about what happened with me/goes on out in the desert, please feel more than welcome to mssg me! Thank You Brother!" (Sean)

Video: The Book of Revelation "Good day Pastor Billy, We really enjoyed looking at your past sermons on revelation and I been letting others know about it. May the Lord God bless you and your family Pastor Billy." (Heinzel and Stacy)

Video: Various Videos "Dear Pastor Billy, My name is Brian and I'm from PA. I surrendered my life to Jesus Christ 16 years ago. During the course of those 16 years, I have always believed God had something important set aside for my life. I truly believe He is calling me to the ministry. I believe He has been for many years now. I know He is getting my attention. It's a long strange story that is hard to explain in an email. Even the person, through whom I was directed to hear your last days series, was a very unlikely source. Another crazy thing is that you and I have a very similar story and personality. I'm very animated and can get loud and long winded when I'm passionate about something. I also have a good sense of humor. Anyway, I've always envisioned myself preaching with a similar style to yours. I guess I just didn't know there were guys like you out there. I didn't think the church would be ready for a guy like me (or you). The Lord has made it clear to me. He has a message for the church that I believe he wants me to preach. It's the same message you preach. Wake up! get ready! He's coming! Pastor, I need direction from The Lord. What do I do at this point? I don't know if you've ever felt this, but I feel like I'm going to explode if I don't start spreading the Word, the message of repentance, and the Gospel. If you have any advice at all, it would be much appreciated. I am also going to talk with my Pastor. I just felt a kindred Spirit when I heard you preach. Thank you for your time and God bless you and your ministry."

Video: The Attack of the Terrible T's "thanks my king!!!! wooh°!!° baby!!! my awesome king wooooo praise God praise my God!!!"

Video: A Judged Creation "it so sad that the people that believe in evolution is going to join the father of evolution darwin in hell so sad but God gave you videos like this to repent but if you don't you will scoff till the time you die and you will remember this video and every time you heard about JESUS and you will be screaming why didn't i listen."

Video: Various Videos "Hi brother Billy. The videos has just arrived and I will view them soon. Thank you for all the good work you are doing as a result of the Holy Spirit working in & through you. GOD be praised always. By the grace of God I desire to pass on what I receive of the Holy Spirit through these video messages, to the glory and praise of God. Much love and respect to you in Christ." (Joseph from England)

Video: Various Videos “Pastor Billy, Hi! Allow me introduce myself. My name is Clark, I wrote you a some-what sensible email back in December, 09. I'd commented on how much I enjoyed the 'final countdown' videos. Anyways, I won't eat up too much of your time here. I just wanted to touch base and say hello, and put in a 'friends' request. If you have room for me, that would be great, if not I can understand that as well. anyways, please keep doing what you have been and inspiring us all!. Hope to hear from you and I will keep on studying and learning from your videos. I'm very thankful I've found your church through youtube. Enjoy your day!”

Video: Various Videos “Hi Pastor Crone, I'm Keith Miller, and you met me and my wife, Bobbi, at Disney World last October. You sent us some of your DVDs on creation and Revelation, and I've got to tell you they are wonderful. You have really been a blessing to our family. Video: Various Videos “I asked the parents to join the youth last friday..before i played your video i asked all the parents and you how they believed in evolution to creation. We normally have youth 7pm-9pm but we did not get out till about 11pm and they were still wanting to know more as we were locking up..I have a feeling i will see some parents back on friday so i am making many copies of judged creation..They were still chatting about what they learn friday on Sunday service..It felt like i just invited people who never knew God existed or actually believed in him all the way.It was a great nite ..so im putting another one of your videos together and finish some more Creation and Noah..i know they are not done asking questions on that lol..God Bless and take care..Need to get the video going.” (Bud from Arizona)

Video: One Second After You Die “Dear Pastor Crone, Back in December I contacted you concerning a question about some information provided in one of your series and you sent me a slew of DVDs. I was thrilled and now they are being put to use. I am leading the children's ministry/childcare for Protestant Women of the Chapel on Fort Gordon, Georgia. Recently we had 3 homeschooled boys begin attending. After the initial shock

of dealing with Middle School kids (my oldest is only 6!) I decided since they were too old for cartoons I'd present your videos to them with the permission of their mothers. Today we started What Happens 1 Second After You Die? Praise God and his ways! It's amazing how they were glued to the video. Normally, they won't sit still for longer than 3 minutes. LOL. We were discussing the video afterwards and went into a question babies/toddlers and how they go to heaven when one of the boys asked will I go to Heaven if I die. Now luckily the other boys come from a home where they knew the answer so they put it in kid terms before I could even form an answer. (They are all about 12 yrs old, two are almost 13). He was truly concerned. He's a pretty good kiddo and all boy for sure but I didn't think he had ever been told the nitty gritty details. I asked do you know how to get to heaven? He said "pray". My heart dropped. How can our children be raised in CHURCH and christian homes and not know that all you have to do is confess and believe??? ARRRGH! So I asked him to explain who Christ is and what he did (in a nutshell) showed him the scripture from a Roman Road bookmark and he just confessed Christ. HOW amazing! I've never been intimately involved in anything like that before. Thank you for the videos and for whoever puts the final A/V presentation together so well. He was shocked that it was something simple and that he didn't have to DO anything. They can't wait to see the 2nd video next week. Do you have any advise on how to start him on growing that I can pass on to his mom because we only have 4 more meetings before we break for the summer and next year someone else takes over my position (the norm). Please pray for him to have protection from spiritual attack while he's a "baby" christian. His name is DJ. Thanks ever so much and hope you enjoyed knowing that the gospel is spreading thanks to your churches generous gift. Your sister in Christ." (Jodi)

Video: Various Videos "Hi Pastor, my name is Rebecca and I have been watching your youtube channel for several months. I was very impressed with your sermons. Thank you." (Rebecca)

Video: Will the REAL Church Please Stand Up? "Dear Pastor Crone, I stumbled upon a sermon series of yours on you tube a few weeks ago. Rather I believe God led me to them. It has been a long time since I have heard anyone preach the way you do. I have been a follower of Christ for many years but never have been so convicted of some of the things I do and say than by the sermon on The Body of Christ. I commend you on preaching the Word although it is harsh at times. In today's world we need men of God like you who are not ashamed of the gospel of Christ. I will continue to listen and be taught by the Holy Spirit through you. I also will commit to pray for you and the ministry that God has called you to. May God continue to bless you. In His Service." (Cheryl)

Video: A Young Creation "Hello Pastor Crone, I am Martin, a Christian from California, currently living and teaching English in Vietnam. I am watching and carefully analyzing the vast amount of data you provide in your video series in regards to the young creation of the earth as opposed to the fairy tale the of evolution theory. I would like to find out if is possible for you to provide an e-book that covers all this information you present in these videos. It will certainly give me more ammunition to convert more Buddhists to Christianity. I am also quite sick with Rheumatism Arthritis that is making me impossible

to continue teaching. However, I am thankful to God because He has given me an awesome Vietnamese wife who is working to support me while I collect enough money from friends and relatives to do a Stem Cell treatment so I can get back to being a provider for my family and have a new opportunity to go out and talk to people about our Lord and Savior Jesus Christ. Blessed Regards.” (Martin)

Video: Are We Living in the Last Days? “Wow, it's sad but we are most definitely living in the last days. The mark of the beast with the purpose of chipping every individual and the Christians who are going to be hated for being "anti-government". This is a mockery before God. The persecution is on every Christian all over the world. Please pray for every Christian b/c they need it so much-facing persecution in the work place, at home, from strangers, wherever.”

Video: The Final Countdown “Thank you Billy for showing us that! Hard to believe, but true!!”

Video: Various Videos “Hi Billy, we really appreciate the messages that you have shared, I have a weird question for you , you mention chicken a few times, not sure if I get what you mean by "evil on a bone". Thanks.” (George)

Video: Various Videos “Hello! My name is Brent, and I'm a born again Christian. I was raised with Christianity but I believe I truly got saved a few months ago after watching Pastor Billy's Final Countdown sermons. I prayed that important prayer and asked Jesus to forgive me for my sins, and become my personal Lord and Savior. Now I'm trying to live for Jesus, and trying to study and understand the Bible. Right now I'm following the Book of Revelation sermons here on the site. I'm really thinking about attending NFBC one of these days to sit in on one of Pastor Billy's sermons. I live two hours away from Lewiston, as I live in a little town called Penfield near Rochester, but I'd be willing to suffer the trip for a chance to go to a church that I know I can trust, and that truly understand the real ways that a Christian should live. And by the way, I do NOT suffer from chicken fumes. Hehe.”

Video: The Book of Revelation “I have become almost addicted to the revelation study I am in college with not alot of free time i fall asleep to the sermons, get ready listening to them and listen while i studying, These words have been the best word I have heard, i like someone speaking straight from the bible, i never knew women werent supposes to be pastors, and I love that i know it now, i always wanted to get into that stuff but felt i was pushed to medical missions but wanted to preach and didnt understand why god was pushing me in another way. I love that you dont sugar coat the Bible. I wish i lived in your community. These sermons get me ready for my day and help keep my mind straight in the secular college setting.”

Video: A Judged Creation “Wow, look at the size of those oysters! Whales on top of mountains. Facts show that the Bible is totally true and evolution is false. I wish I could attend your church Pastor Crone, thanks for putting your sermons on Youtube and sharing them. I love them and learn So much.”

Video: The Book of Revelation “I enjoy all the info you have. Glad to see this preaching going on!”

Video: The Book of Revelation “Pastor Billy, I have been watching your series up until 68 and you are spot on when it comes to what you are saying. The Word of God coming through you has convicted me in some areas and in turn has brought about correction. I never want to get complacent in my walk with Jesus. It's those small degrees off that can send the space shuttle off course from it's destination. Why is the church so dormant on these issues? Please continue to do what you are doing. God is using you in a mighty way. I want to start giving out your sermons to people in my area.”

Video: The Book of Revelation “My wife and i had an argument and i ended up staying home instead of Church Sunday morning so i decided to watch yours live show..I will say it was meant for me to stay home and watch it..I needed to hear every word..Thanks much God Bless.”

(Johnna from Kentucky)

Video: Various Videos “Hi Pastor Billy, my wife and I thank you very much for your kind offer of last September; i mean the free giveaway of some videos. The quality of the download i made is sufficient so i've made my own. It's a little work to transfer to DVD but with the help of my "Mac" computer's applications everything is fine. We truly thank you for all the work you're doing to try to wake up people around the world. We are still and always praying for you and your wife, your family. This is our way to tell you we thank the God of Abraham, Isaac and Jacob for your ministry. Fraternal blessings.”  
(Chantal & René from Canada)

Video: The Book of Revelation “Dear Pastor Billy Crone, I saw your video on YouTube today and was inspired by your preaching. I have been feeling a calling by the LORD JESUS to get more involved in using the abilities that HE has giving me in reaching as many lost souls as possible before we are raptured out of this lost, sick and suffering world. I agree with you that the coming of our LORD is eminent; and for that reason, I feel a calling to get even more involved in the work of our LORD. I am a freelance

translator-interpreter in the English to Spanish and Spanish to English languages. I'm able to do simultaneous and consecutive interpreting. And I'm native in both languages. Law and litigation support are my areas of expertise, having served as a court interpreter/translator for many years. Other areas of specialty are business, finance, advertising, marketing, public relations and personal documents. I also have experience as a Spanish/English conversational instructor at the College of Lake County in Grayslake, Illinois, United States of America. I guarantee that you will find my work to be of outstanding quality. I'm attaching my resume to the body of this message, due to issues of unsafe "attachments" and the like, as you will understand. Brother, I would like to distance myself from working in the matters of this world and get into subtitled Christian literature, videos, books, and especially, if possible, doing a voiceover or subtitled of your video that I just watched on the Book of Revelations. I believe your teachings are urgent and necessary for the Spanish speaking population here in Mexico where I'm living. Your teachings would be a great instrument in our mission here in the State of Guanajuato. I'm a member of a Fundamental Baptist Church and we have the same doctrine and beliefs as you. And this is a thought that has come to my mind, and I want to talk to my Pastor about it, but I would love to invite you to come here and preach at our church. You could preach and I would serve as your consecutive interpreter. Our Sunday services have an average attendance of about 1,000 people and growing every week, for the Glory of our LORD. The LORD is doing great things here in Mexico, despite of and in the midst of a drug cartel war that is claiming the lives of thousands. It would be a blessing to have someone like you, with the same fire and passion for the Word of GOD as we have, to come here and preach to us. I'm going to pray about this and may the will of our LORD be done. Amen. Please let me know if you are interested in having me serve as a collaborator with you or if you know of a Christian organization that would be interested in using my services. I'm putting all my skills and gifts in the service of CHRIST, who has giving them to me, and hope to hear from you soon. Have a great and wonderful celebration this Sunday of our LORD's Resurrection. Amen!! GOD Bless you and all the Brothers there at your ministry mightily. Your Brother in CHRIST." (Alfonso from Mexico)

Video: The Book of Revelation "love this preaching keep up the good work! Like crystal lewis song said, people get ready Jesus soon will be going home. Cant wait to get hommmmmmmmmme!"

Video: Various Videos "Hello my brother. You're telling the truth around the world for people like me. When I first saw your videos I knew you are the only brother that tells the truth without shame. I'm sure God and Jesus loves you for that and so do we. Bless you Billy Crone for taking the time to read this. Thank you and God Bless." (Tim from Canada)

Video: Various Videos "Between what you generously sent and what I pulled down from the website (the new one is awesome by the way; what a blessing to have talent in the body that will use it for His glory) I picked up a spool of DVD's a couple of months ago and we're make'n copies! Or handing out bullets if you will." (Jeremy from Colorado)

Video: Why is Good Friday Just Good? “Good evening, Tuned into your service tonight for the first time and was glad I did! What does the Easter Bunny have to do with a great day like Easter Sunday? Enjoyed your message tonight and would like you to pray for me. I was raised in a Christian home by loving parents but I went astray at an early age. My father was a great man, he loved the Lord and worshipped him for 56 years, a true leader in his small country church. Dad passed one year ago this week at the age of 68, buried on Easter Sunday with the service in his church after a short battle with cancer. I was with my father for the final two months of his life, 24/7, sleeping in his hospital room, with him all the way as he went through the final stages of his life battling pancreatic cancer. Although there was no treatment dad never complained, instead he spent his final days reaching out to others as he always did, pleading with them to find God. Dad was at peace, he knew he was going home to his Lord and Saviour. I want to have the faith and inner peace my father enjoyed throughout his life had and to one day join him in heaven. I am a sinner, I am ashamed of the many things I have done during my life and although many do not know, I know Jesus knows all. I will be attending service this Sunday, honouring my father on Easter Sunday at his church, his favourite place. Please pray for me, I will be tuning in on Sunday evening for your sermon again. Good Bless you.” (Ken)

Video: Why is Good Friday Just Good? “Pastor Billy I've had this bad addiction and I've repented so much from the same sin and this last time I did it, I've felt empty and my repenting fake so I started believing GOD might be done with me and I deserve this and I'm gonna be a slave to this sin forever cause I'm too weak, I was quitting, praise GOD I wanted to watch ur Amazing Friday sermon and the HOLY SPIRIT told me I'm free and I'm back on my feet, Thank u JESUS for using Billy crone to preach ur word, thanks pastor GOD gave me what I needed.” (Anthony)

Video: Why is Good Friday Just Good? “Awesome Amazing Friday Day message!” (Tim)

Video: Various Videos “I know the Lord is coming very soon to take the church. I may not know the day or hour but I know its soon. I have listen to a lot your messages. I also post them on Myspace and facebook. I am lot like you in way i grew up. Lived on the street at 15 years old. Was on drugs. It not because my mother did not care. But my step father and I could not get a long for he beat my mother. I almost killed my step father when i was 15 while he was beating my mother. The Lord sent a friend at that moment that came up behind me and grabbed the gun. But you know I am 51 almost 52 years old now. The Lord is the most important one in my life. He has always been with me even when I really didn't know him. Over the years I have been through a lot. Let me rephrase this. The Lord and I have been a lot. We have dealt with people from all walks. I praise the Lord for what he has taught me. I wont say I always enjoyed it while was going through it. But I did learn and try to use it to help others. I dealt with people that were in occults to my best friend dieing in my arms. From having seances and wigi board, To excepting the Lord Jesus Christ as my personal savior. I have had one major heart attack and two stroke. I know the Lord is with me because if he want, I wouldn't be here either now. It not my life but the Lord life. Its not my work I do, But the Lords work. If i do

anything to help any one it is not me but the Lord through me. Sorry I am babbling I get thinking about all the Lord has done for me. I just like to tell people how great the Lord is.” (Michael)

Video: Various Videos “Hello Pastor Crone. I am a 28 year old man living in Denver Colorado. I came across your sermons on YouTube of all places. Searching for videos of UFO's of all things. I really believe in what you spoke about them. Not up to any good. In this wild and confused world we live in, there are so many lost people and misplaced faith. Life through Jesus Christ is the only true fulfillment I have ever felt. Thank you for your words. I am really enjoying the "Revelation" series. It's really engaging, and raw to actually see the signs all around us and to correlate them to our Lord's words. Thanks again brother and may God bless you in your path.” (Ezra)

Video: Various Videos “Hi pastor, My name is Kedwin from Brockton, MA. I'm 23 and will be 24 on July 9. You have been a huge blessing in my life. For a long time I've been hearing the same message in my church and others around my area but ever since I've discovered you on YouTube my connection with our beloved Father has been restored and newed. I have ordered the final countdown series and loved it, and the bonus edition too. I have pass it on to my family to watch. I am now watching the book of revelation series on YouTube and I love it too. I watch your videos everyday even after church. I even listen to your video while I'm at work everyday and because of that I feel like I'm growing in the eyes of God everyday. I knew a lot about the elites of this country and how satan uses them to keep us from God but you really sum it up for me on how it connects with The Bible. So this is my Thank You to you. This is truly from my heart. I

ask for you and your church to pray for me so that I can become a better servant to the creator of the universe. God bless you.”

Video: Various Videos “Hey Pastor Billy, I just wanted to share with you how happy I am recently since I've accepted Jesus. It feels like a massive weight has been taken off me. By the way i watched your testimony, it was amazing.... I'm delighted that God has given you the gift of bringing people back to him. I watched your sermons on the evidence of creation and am following the Revelation study. It's refreshing and gives you an amazing realisation, knowing that the word of God really is true and the lies of evolution which deliberately lead people into confusion can be completly disregarded. I've shared all this with my family and the results are amazing. Go raibh míle maith agat agus Go mBeannaí Dia dhuit. (Thank you so much and God Bless you) In Christ.” (Gary from Ireland)

Your sister in Christ.” (Julia)

Video: Various Videos “Thanks you so much for the videos. We are watching at home in the evenings & I am listening to them while I work. The more I hear God’s word, the more peaceful & happy I feel. It is truly amazing. Please pray for my husband. He was

raised in the traditional God fearing Southern Baptist country house hold that is prevalent in our neck of the woods. He accepted Christ & was baptized years ago. (He is 38.) However, I have to drag him to church, & when I try to share new info about God, he shows disinterest & says something like, "I believe in the Lord, but I guess I just don't like listening to preachers all the time & I don't understand the bible." When he does go to church, I know our preacher touches his heart, because I see tears in his eyes. I believe he is close to changing & I am praying. God Bless you." (Johnna from Kentucky)

Video: Various Videos "I am the pastor of a small Baptist Church in Trinidad West Indies. Your teaching has greatly helped me. I came across your videos on utube. At present ,with God's help, I am doing a bible study with my church on the book of Revelation. The wealth of information you have supplied has been invaluable. Keep preaching the word no matter the cost and we'll keep you in our prayers. May God's blessings be upon you and your ministry."

Video: Will the REAL Church Please Stand Up? "I just turned 30 years old and grew up in the church from born till I left when I was 19. My Grandfather was a pastor and my father was a pastor and my family was very involved in many aspects of the church. I left giving the excuse that I was sick of "The Church" and how two faced it had become. I spent the next 10 years wondering from jobs to places to party's to everything I knew was wrong and in the beginning of that 10 year period it constantly troubled me. I began a specific sin that was extremely destructive when I was 12 which was lust. It manifested itself in so many different ways bringing me deeper and farther away from the Lord Jesus. Not long into my exit of the church and entrance to the world that the feeling that "something" was wrong faded. My perspective, judgment, understanding, eyes and my heart were closed to any word from my friends and family still in the church. I realized a couple months ago that I was a man and not a child anymore. My innocence was stripped from me by my curiosity and willingness to turn my ears, eyes, and heart from the lord and the concernment of the holy spirit and began to be subjected unprotected to the devil. I realized for the first time in my life I was lost! I desperately wanted to return to that age when I was ignorant to the temptations of the world/devil, but it was too late, so what was left? I remembered all the teachings and conferences I had been to, people standing up at the pulpit speaking about how they had been SAVED, how they had been set free from bondage, rescued by the Lord Jesus Christ. Before it had no effect on me and I didn't understand what it meant to have the shackles released from their wrists and ankles. I decided then that I would go back to church with my parents. Since I left the church my family and I left where we had lived and moved to a new state. The "church" I attended for the first time in ten years was led in a sermon by the pastor who spoke that the Lord had laid someone on his heart and that he needed to tell that person that "He" still hears you the Lord wants you to know that he still hears you. This is an issue I've been dealing with for years and I broke out in tears. I couldn't hold them back and my pride fled me. The following sunday I rededicated my life to the Lord. I began seeking as much information that I could trying to catch up with what was REALLY going on in the world and on youtube found you and this series. I want to thank you for your diligence in the word and the actual condition of the Church in America today. I wasn't sure if there were many pastors i.e shepherds leading their flock to the Father, but watching this series gave me a renewed vigor to LIVE my life according to the will of the Lord Jesus Christ. Your efforts and willingness to speak based on the TRUTH i.e the Bible and condition of the church (God's people). May the Lord continue to bless you and your family for taking a stand in His Name. Your Brother in the Lord." (Patrick)

Video: The Book of Revelation “Pastor Crone, I'm just going to be starting your Bible study on Revelation I started watching but am going to wait so my husband and I can watch together. But it was great what I saw. This a very exciting time and to think I might live to see His return! God bless you.” (Merry)

Video: The Final Countdown “I needed this so badly. These are trying times that we live in. I was becoming consumed with fear, dread and stress. Those are all gone now. My path is clear. I will resist tyranny. I will defend and protect my family and my fellow man. But I will do so without fear. Bless God!!”

Video: The Book of Revelation “I don't know what else to do but pray and warn others. Almost forgot...How do I go about getting your sermons on cd or dvd? I want to start passing them out around Salt Lake. I'm in the Mormon capitol (behind enemy lines, so to speak) and it's tough sometimes to reach them. I find myself reaching them by asking them questions since the LDS church controls what it's members see as "anti-mormon". So I have to cause them to think then search scriptures from the Bible and compare them to what their doctrines teach. Long Sigghhhhhh. If you ever do anything on the cults like JW's, SDA's, and Mormons, and how they stand apart from Biblical Christianity, I'd love to get that and pass it out. I just want people to have and know the truth. Continue to preach with boldness, love, and no compromise. We are all praying for you. Oh. By the way... I can say "CRUMPET" lol.”

Video: Various Videos “Just letting you know your videos are a huge hit with everyone that watches them..i can't keep up on making copies for people i have a waiting list..The New pastor we have like's them and want's them passed out. Have a great Day and Week Pastor Billy God Bless.” (Bud from Arizona)

Video: A Judged Creation “Dear Pastor Crone, I recently watched your series about the pre-flood civ. and although I always believed in The Flood I had no idea about the advancement of it's predecessors. Is there no way to pressure the Smithsonian into doing a "Pre-flood Expo" especially in the wake of this week's Ark revelation???” (Angela)

Video: The Final Countdown “I was wondering if you can send me the dvd titled "The Final Count Down." I was talking to my neighbor last week about the rapture. He had no idea what the rapture was about, nor did he even know that Jesus was coming back to take his church. I was totally shocked that he had no clue what I was talking about. My neighbor has lived in Minnesota all his life (like me), and raised catholic. Him and his wife attend the local catholic church, whereas I do not. I told him this information is in the bible. He asked me why doesn't the catholic church preach on this? I told him, they don't want you to know. He said, we don't have bible studies in church. My brother in Christ and I had given him scriptures to look up in the bible, to see for himself. I would like to give him the dvd as well. Curious...can you give me several sets? There are more people I wish to give the message to...before its too late.” (Lori from Minnesota)

Video: Various Videos “Dear Mr. Crone, your very informative videos are just great!” (Santiago)

Video: Various Videos “Bill, I have worked nightshift the past 10 years and have had a sporadic church attendance. Just miss 1 week and then easy to fall into habit of not going. Think God understands, but have been praying for a church locally that He would have me attend but haven't really received an answer. I mean how many people would attend if you had a service at 2 am every Sunday? Well that's what it's like for me every week. Get Sunday's off but have to work Saturday nights. Anyway feel like God is using people like you and other's on You Tube to reach people like me, or who can't make it out of their home etc. Thank You for sharing your teachings! Really enjoying the End Times stuff even though it was done in 2008 it's as up to date as today's newspaper. May God continue to bless you!!” (Michael from Montana)

Video: Various Videos “Pastor Billy, I'm Clark Michigan. I found your videos on youtube. I'm a writer, and I'm in the first chapter of a book. You've been a true inspiration for the Word of God, you're one of the few out there has reached my heart. I'm not an innocent soul by any means, and my writing is realistic yet fiction, and the scenes can be harsh. But, somehow, someway, I hope my gift from God with writing will reach someone out there, eventually bringing them to our Lord and Savior. I hope my writing will somehow, someday, lead someone to Christ. If you were to read my stories, you probably wouldn't see how any of it portrays God or Jesus. But ultimately, in the end, the last chapter, last page, the reader will know that there IS a Loving God, and a Loving Savior named Jesus Christ, and that the reader, while still living and breathing, has a

choice. And he/she will have to make that choice sometime, somewhere. Or the choice will be made for them. I'm babbling, sorry. But we're thankful we found you on here rather than never have found you at all. My God continue to bless you and your family, your church, and everyone therein. I think He's done very well, don't you!? God bless, and enjoy you day.”

Video: Various Videos “Pastor Billy Crone! The Series I was referring to was "The Book of Revelation" series. You know, the most awesome thing about this series and what it's done for me? My Grandfather that I told you of was a First Baptist preacher and has a PhD in theology. I didn't know until talking to my father about your BoR series that my grandfather's favorite book in the bible is Revelation. I was able to reconnect with my grandfather who has always been a colossal figure in my life but we never really had any conversation my entire life. Now we correspond almost daily being that he now lives in Northern California and I live near Jackson, Wy. I attend the River Crossing church in Jackson and Pastor Mike is a wonderful shepherd. I just finished your series "Marriage" which was wonderful. Where I live is called Star Valley and there is a massive presence of LDS here. A lot of the people here are gun toter's, but very kind. I would love to have the book of revelation series if at all possible. If you would be so kind as to let me know of the shipping costs and even the cost of the series I would love to help support what you are teaching and your church by covering these costs. I'm a pipeline welder by trade and work for the union. What I mean by this is that a lot of welders claim to be christian and I believe many are but as I was many are backsliden. I have a dvd/cd player and system in my truck and would love to be able to take your series with me to the right of way on the pipelines to witness to whomever will have an open heart. Sorry for the lengthiness of this email but have been gifted with gab! LOL. May the Lord Jesus Christ continue to bless you and your family.” (Patrick)

Video: A Judged Creation “God Bless you, Bro. Billy!! I'm in the midst of watching the series: "The Judged Creation"--and, I want to tell you that, even as a CHILD in Sunday School I was NEVER told to this degree what all happened during and after the flood! I really want my sister, Stacey to see all of the vids you sent me -- but I really pray for her. She's heavily involved in the "Unity" church, and this saddens me beyond belief. I feel that she has gone so far into it that anything anyone tries to say supporting the bible and it's truth would just go in one ear and out the other...I pray for her every night that, if it obviously isn't me that reaches her for Jesus that God WILL send someone in her path that CAN! Thanks, Brother. I have been having a marathon viewing -- and I really feel sorry for your congregations--! Why? Because THEY have to wait a week for the next installments when they're presented initially -- whereas I can just grab a cup of coffee and pop in the next disc!! ;-) Looking forward to filling in some gaps....” (Kevin from Nebraska)

Video: The Final Countdown “Hey Pastor Billy, Received the package today! Thank you. Excellent videos, I showed my sister the Final Countdown series, she was like wow! haha. Thank you. God Bless:)” (Gary from Ireland)

Video: The Final Countdown “WOW! WAITING ON THE LORD.”

Video: A Judged Creation “I was always questioning the notion of cavemen on the Earth after becoming a Christian because nowhere in the Bible does it give evidence of them, instead, like Pastor Crone says: there was an advanced civilization. Amazing evidence—the planes especially. Why isn't this being taught in the schools or shown in any textbooks.”

Video: The Attack of the Killer C’s “Amen brother! Amen! The devil came to steal kill and destroy. The battle is rough, but GOD's promises insures victory.”

Video: Get A Life! “This man is awesome at speaking God's word, ive learned so much from about 8 videos of his, il keep watching them all because this is wonderful for me.. he speaks from the point of view as me and the fact that he hasnt always been a Christian and was at one point at the other side helps alot for me.”

Video: Please Don’t Go To Hell “it really annoys me when people say "how can God send a person to hell"? These people need to understand that Jesus reaches out to you throughout your life. You cannot blame our lord Christ for not reaching back to him. Turning to Christ is the best decision Ive ever made.”

Video: A Marriage Built to Last “my husband drives me crazy, verbally and emotionally, but i love him so much.”

Video: Various Videos “Hi Pastor Billy. My name is Stephen and I was born in Guyana, South America, where I spent 17 years before I migrated to the USA with my family in late 2001. I was baptized at the age of 15 in the Baptist church where I grew up watching my father who was the pastor for 20 years. A few years before our journey to the USA, my father resigned his position to facilitate a smooth transition to a gentleman who’s a Dentist by profession and a Pastor. At the time we had a strong youth group, maybe 16-20 youths including his two children who eventually were given superiority and privilege among other things above all other members. This eventually caused bias, tension and gossip in the church and with our migration eminent along with some other members. The youth group many of whom were baptized are now perverse Christians occupied by worldly aspirations. With that negative experience, I’ve decided like the group to occupy my time with academics, traveling, finances and chasing after the “American Dream.” My family and I recently bought our first home, and I have a rewarding career where I currently work as a Radiation Technologist at Children’s National Medical Center in Washington, DC. Since I left the church in 2001, I’ve had a void and with hypocrisy flamboyant in the churches, I never committed much of my time other than attending a Christmas service or special event once of twice a year. I did pray quite often and was diagnosed by a group of doctors and scientist at N.I.H with a rare spontaneous occurrence in 2004 that made me temporarily blind. I have the pictures that show the severity of inflammation and damage to my optic nerve. But with prayer and Gods mercy, my vision was restored and he gave me a second chance at life to make a difference. However, I was still lost and stubborn spiritually. It’s been 8 years of skepticism of what I should really believe and which denomination preaches the truth, until one night a few months

back. I was feeling an emptiness and decided to go on the internet to feed that desire by whatever means necessary and I stumbled across by an inadvertent typo, the you-tube video "Billy- Crone: The final countdown" I have been fascinated with end time prophecies since I was a child and I watch the history channel, discovery and news religiously. I have an in-depth knowledge of the end time predictions made by skeptics and people like Nostradamus, the Mayan Calendar and many signs the bible forewarned us about. I have always asked God for a sense of direction and I've attended many churches leaving with the same questions unanswered. I prayed and asked God for guidance and I have a unique relationship with my heavenly father through prayer. He has answered many of my prayers and have worked countless miracles in my life, too many to document in this email. After years of searching and sporadically reading my bible, God provided me with the truth and direction through the teachings and preaching of "Niagara Frontier Bible Church." I have attended Baptist, Pentecostal, Jehovah witness, Adventist, Assembly of God, Catholic, Mormon churches and I have been exposed to Islam, and Hinduism in great detail through unsaved family members, none of which provided me with the answers until I was brought to the true teaching and understanding of Jesus Christ through "Pastor Billy Crone." I have always searched for the truth and by the grace and mercy of God, I was able to find your ministry and I have finally found that spiritual fulfillment in your sermons and DVDs. I recently ordered the Final countdown DVDs and RFID DVDs, copies for myself and fiancé who lives in Queens NY. We have shared the you-tube videos with family and close friends, and I will be sending copies to my uncle who resides in Guyana, and my fiancé has shared the countdown series with her family in Canada and locally. We have also been following your revelation sermons online which we plan to order, along with some older sermons dating back to 2007 which I will record, and send to Guyana and share locally. My fiancé, who is a dedicated Christian, gifted with singing and piano has committed her life and talents to the Lord Jesus Christ. She is an affluent member of her church in Queens NY and we both were inspired by your sermons and surprised at the staggering amount of false teaching, Apostasy, which we have been bombarded constantly and fed through the media. We are both planning to visit Niagara Frontier Bible Church sometime this summer or fall depending on our schedules, and would be honored to be a part of your congregation for a Sunday sermon. Your sermons has made me realized that I've gone astray and with that conviction I ordered the NIV student bible and a copy of the NASB, which I plan to study thoroughly with the help of your online sermons. I've also been very skeptical of donating money to churches and TV evangelicals in the past, but feel comfortable and at peace donating to "Get a life Ministries and Niagara Frontier Bible Church." Please continue to warn and make Christians aware of the biblical prophecies that are being fulfilled and how extremely close we are to see our lord and savior Jesus Christ. I wait in anticipating with great joy and yearning for the rapture of the church and believers, and I agree that tomorrow maybe too late for Christians to start living for Jesus. Commit your works to the Lord, and your thoughts will be established. Do NOT be afraid of sudden terror, nor of trouble from the wicked when it comes, For the Lord will be your confidence, and will keep your foot from being caught: proverbs. Fear Not- Jesus! Knowing this first: that scoffers will come in the last days, walking according to their own lusts, and saying, where is the promise of His coming? For since the fathers fell asleep, all things continue as they were from the beginning of creation." 2 Peter 3:3-4

Please continue to provide hope for me and the millions watching on you-tube through your teachings of gods word. I have never been this excited and scared at the same time of reading and living by gods word. I am motivated and can finally walk in the truth and not have to ingest worthless teaching by my Jehovah Witness co-worker who keeps twisting and pressuring me to believe and follow his faith. Nor do I have to be intimidated by my Muslim co-worker who keeps telling me that Islam is like day and Christianity is like night. He keeps telling me ever day that I am lost and how can I follow a religion that condones homosexuality ( referring to the many churches in DC that will marry two same sex couple). I will continue to pray and ask god for wisdom, guidance and strength to stand strong for what we the true Christians believe.”

Video: Various Videos “Hello Pastor Billy. I greet you in the name of our Lord Jesus and I also like to thank you for the great work you are doing over there. Video: The Final Countdown “Hi Pastor Billy. I appreciate your offer of sending “The Final Countdown”. I also appreciate the fact that you do not copyright your media. It is very refreshing to come across this type of commitment to spreading the Good News. I pray that the Almighty will be with you and guide you in all you do.” (Bev from South Africa)

Video: Various Videos “Pastor Crone, My name is Brook. I would like to find a church similar to yours in awareness. I watched your sermon on Youtube. I live in Dallas, TX. Can you help me?”

Video: Please Don't Go To Hell “Hi Bro. Crone: My name is Shelby. I found you one day on Youtube, and I don't think it was by chance. I found the message you taught called "Please Don't go to Hell". I have watched it more than once, and to me it is the best message I have ever heard on the subject of hell. There was no finger pointing, no condemming words, not the typical hell fire and brimstone message. You know you like

a message when you take notes while watching Youtube. I have also heard some of your testimony. The reason I am writing is to find out how I can get a copy of it. I have already told my pastor about it and we want to show it at a group meeting we have on Wednesdays. Thanks. Blessings in Jesus. He is still Lord!!”

Video: Various Videos “Hey, Brother--! I'm still watching the Revelation series (and loving it) -- but I have the others filed now, and ready to "fill-in gaps". So, could I request these: PLEASE DON'T GO TO HELL, GOD IS HOLY, GOD IS POWERFUL, GOD IS WISE, GOD IS PERSONAL, GOD IS REAL, WHO SAYS THE BIBLE IS GOD'S WORD?, R.F.I.D. That should hold me for a few days...LOL!! I am not kidding when I say that -- other than the Revelation vids -- I went thru the others in TWO SITTINGS! -- that first afternoon and evening, and then the next day and evening--and they were done! Bro. Billy, I want you to know what a blessing you are to me personally. Your insight and actual video references to show the reality of what you're preaching really speak to my heart and encourage me so that the Lord can empower me! God is REALLY using you in a mighty, mighty way -- you could easily be a (dare I use the term) Charismatic Touring Evangelist traveling doing Revival meetings across the country! God Bless you, Brother.” (Kevin from Nebraska)

Video: Various Videos “Billy Crone is awesome! his speeches cured me from the stupid stuff that is the new world order. its so hard trying to stay on the path when everyone around is doing evil day and night, i dont actually have any proper Christian friends...but this guy right here with his speeches, i would say im back on track thanks to them :)”

Video: Various Videos “Thank you for sharing God's word! Many blessings to you.” (Rose)

Video: Various Videos “Look in history--Billy Sunday.....fantastic Evangelist! Billy Graham...equally fantastic Evangelist! and someone I've come to know who has the same fire and determination and passion for the Word of God -- Billy Crone. Hmm...seems as if, if you want your son to grow up to be a great Evangelist--name him Billy! Coincidence...? I think not! LOL--Have a great day, Brother. Love 'ya!” (Kevin from Nebraska)

Video: The Book of Revelation “Bro. Billy--I copied verbatim the "What it means to be a Christian" list from the Revelation series, and I posted it on Facebook as a "status". It's always my prayer that--not only my FB friends read my statuses--but that THEIR friends who may be unsaved might glance at them and want to ask questions...I really feel that God has placed Facebook in my path as an Edification tool for the saints, but also as a platform for me to express my personal relationship with Christ to everyone I can...”

Video: Various Videos “Hi Pastor Billy, I have ordered the countdown series and have been following the revelation series on you-tube with my fiance for the past 2 months since we found Niagara Frontier Bible church, through the grace and mercy of god. I have shared the media Maryland & Washington DC with my family a friends, and I'll be

sending copies to my uncle in Guyana. Becky has shared the series with her family in Queens NY and Canada. And we will be ordering the Revelation series and sharing the media, despite of the scoffing and humiliation we encounter.”

Video: Various Videos “Hi Pastor Billy, I'm not much for phones, although they are the best way of long-distance communication, I like typing. But when it come to talking to 'Pastor Billy Crone'....you better believe I will talk to YOU on the phone!! To me, you're a celebrity. I'm not sure if that's spelled right, or you'd want to be called that. But you're one of the 'very few' that make sense to me, and your church and teachings seem to be right 'intune' with what's happening in our world today...I've told pretty much everyone I know of your videos and website, so I am getting the word out. God is working and helping us. My wife and I are hopeful that we'll make it out to your church and experience your sermons sometime this summer. My health and/or hers may not allow for it. I get tired easily, and so does she. But we can hope and pray for it. If the Lord Wills it, It WILL be done! So please keep us in your prayers, and we hope to hear from you again soon. We're going to try and catch your service this Sunday on your website. God Bless.” (Clark and Theresa from Michigan)

Video: Various Videos “Great news, my cousin accepted The Lord as his saviour last night, I feel really happy for him but i'd ask that you pray for him. His name is stephen, He's my best friend kinda like a brother. Now i've someone to learn and pray with and he is gonna try and spread the news to his family.... I'm really happy that I was saved by The Lord because he is reaching out to my family through me.” (Gary from Ireland)

Video: Various Videos “GREAT STUFF BROTHER! LORD BLESS” (Marco)

Video: The Final Countdown “Exactly right, even in America they view Christianity as dangerous. Soon in the tribulation the only acceptable worship will be that of the Antichrist/Satan....mind boggling but definitely follows what is going on.”

Video: The Book of Revelation “Power of the dark side :D VERY moving video...creepy. I love your videos Mr. Crone, keep 'em coming.”

Video: The Final Countdown “For nursing could definitely see it. They made us wear a little device dubbed the "slacker tracker" that would not only light a light outside the room but would keep track of the time spent in each patient's room so when that patient said "i haven't seen a nurse all day" they could check.”

Video: Various Videos “Billy, Like you I dabbled with some stuff I shouldn't have. I dared a devil worshiping priest to connect me with my girlfriend when I was in boot camp. God bless you in your walk brother. I was lead to your videos through a warrior in God's army. Anyhow; glad to know you (a little) as a brother in Christ. I run a bunch of web sites. I have a mission to translate your final count down videos into text for absorption on the web (with your permission of course) I have the first four done. Many Blessings and stay safe.” (Greg)

Video: Live Services “Hi everyone. My name is Ezra. I am a 28 year old man living in Denver Colorado. I just wanted to let you know I am following your services online and am taking so much from them. I am blessed to have the Lord's word brought to me through Pastor Billy Crone. It really feels good to know I have a solid Christian family around the world. Pastor Crone, you are a blessing to me. God has really made you a conduit for the Truth, despite your corny jokes. Hehehe. But honestly though, thank you and may God bless you all at Niagara Frontier Bible. The Devil has got nothing on us if we seek life through Jesus Christ our Lord. Amen.”

Video: Various Videos “Pastor Crone: I know I can talk with you and I thank you for that. Today I spent 5 hours reading a dissertation on ‘HELL’. True FEAR filled my heart. The Fear of God became a reality this day. (You covered that subject “Fear of God” in Sunday’s sermon) How this all came about today is that my sister called and we had a great conversation (she is one of the sisters that I introduced to your sermons) about my mother’s recent passing and if she went to heaven? I told her ‘yes’ because she was ministered to by our brother Mike (who is now a Presbyterian minister) and she accepted Jesus Christ as her personal Lord and Savior. She asked me and I said I do believe in a place called hell. I remembered that in your sermons you stress strongly on the subject of Hell and that Jesus spoke on that more than love. If Jesus spoke that much on Hell then the reality of it was true as you said. Again, I thank you for all you do that leads me in studying the Word of God and trying to have a grasp and understanding of things to come and the promises that God gave us through His Son. Sincerely In Christ.” (Chuck)

Video: Various Videos “I have all your videos i think hehe. Thank Jesus that I found you in my life of media lol. I pray for your church everyday =) Take care Billy. God bless. Your brother.” (Christian from Norway)

Video: Various Videos “Pastor Crone, I have been watching you for about a month now thanks to my friend Caroline. I love your sermons and how you teach it like it is and the truth of the bible and the end days we live in. I got saved over easter weekend and now dedicate my whole life to God and our savior Jesus. I do get people that scoff at... me and tell me I need to stop cause they don't like or approve of my newfound passion for the Lord, especially my family. But I keep on giving the good word and hope and pray that I get through to some, although I know I won't be able to get through to all. If you have any suggestions to give on preaching the good word of God that I have not learned already through my friend Caroline, I am all ears. Thank you for adding me and look forward to hearing more great bible studies from you. God bless. Your new friend in Christ.” (Scott from Florida)

Video: The Final Countdown “Dear pastor, I'm a Law student from the Netherlands (studies: Dutch and European Law) and recently watched your video serie 'the final countdown' on YouTube. It has such a powerfull and great message for christians in these days. I would love to share it with many people in the Netherlands. There is just one 'small' problem, they don't speak/read or write English. Well, some of them do, but just the simple conversations (the busstop is around to corner to the right). With your premission I would love to translate it, so that the dutch people will be able to hear

(actually: read) your message as well. Dutch pastors don't dare to translate these things, because they are scared of the reactions. And their preachings only take 10, 15 mins tops. If you allow me permission to translate it, I will try to translate the entire 'Finale countdown' serie during my summer holiday this year. When you feel it is better that I translate a more recent serie, please let me know. Because the baseline in all is the same. Hope to hear from you soon.” (Joel)

Video: Various Videos “Hey Pastor, I live up the road from and go to the same church as Anthony C. He introduced me to 'the final countdown series' and i have since then also seen 'A judged creation'. let me just say that i am thrilled by what i have seen and heard in your sermons and praise God that we have the freedom of speech to be able to spread the gospel to one another. i think it is so awesome what you are doing for God and His people! it inspires me and gives me courage to spread His word despite much persecution from friends but especially family. i have being living with Christ for about 6 weeks and praise God He saved me from the hell i was living in. it is preachers like you who remind those that are complacent in their faith, and lukewarm that unbelievers need saving! and as a result of trying this i have come across persecution, but it only draws me nearer to Christ our Saviour. praise God. cheers, simone of the potter church in merrylands, nsw, australia!”

Video: The Final Countdown “Billy Crone never heard of you, but you just made it up there with my favorite preacher John Hagee.”

Video: Various Videos “Pastor Billy Crone, I really appreciate those DVDs that you sent to me for free . I know they cost a bundle. There is really no way you can put a price tag on those very sharp and true messages. I have been listening intently to these messages and I have made up my mind through the power of our Great Lord Jesus to enter a seminary soon. Please pray for me that this becomes a reality. I have nothing else to live for. So thanks a million. Those DVDs did not go out in vain. They found a mark. I watch them every single night. The more I watch, the more I get inspired. Praise God. Thank you again and thank our God who has made this possible. May Jesus Christ continue to richly bless NFBC. Amen.” (Anthony)
