Video: Various Videos “i just wanna say your sermons sparked a new light in my heart and reintroduced me to Jesus any where you go they will be lucky to receive you, i learn so much from you thank you ..my wife is a Catholic i couldn't convince her to go to another church to experience really good fellowship so i challenged her i told her when you get there look around open your eyes it will let you see if it is a dead church well she was mad and accepted the challenge . she came home to me and said the people where dressed to go out clubbing the women and men were sporting tattoos it felt total wrong so i found a bible church in st cloud Florida it used to be called heart land she love it now she cant get enough so i thank you for teaching me to recognize this problem we have in the churches today .....ok well be good your friend.” (Nelson from Florida)

Video: Various Videos “Hi Pastor Billy, I'm part of Media Light Ministry in England (along with the Van Doorms). I'd like to say what an inspiration you've been to me for quite some time now. I've watched the videos and they're just awesome, you're truly inspired by God. I'll pray for you in your new position and for your family, it must be a huge wrench to leave the people you've come to know. I could see from your announcement that you were clearly moved. I pray it's not the last we'll have of your inspiring and instructive talks, and of course your cheerful personality which certainly brightens the day. God bless.” (Kath from England)

Video: Various Videos “Hi Pastor Billy, a friend and I have been watching your youtube videos especially the final countdown series. We are in Australia. Thank you for being one of few pastors that teach on the end times. Thank you.” (Michelle from Australia)

Video: Various Videos “Billy is my pastor as I can't find a decent one here and I am so pleased with him. I want to keep in touch with his ministry. I have all 14 volumes of the Revelation study plus many of his other video's.” (Joy)

Video: The Final Countdown “I ordered volume 1&2 of Final Countdown. I love Pastor Billy Crone's series and can't wait to get it! I am telling all my friends about your web site. God bless.” (Von from Ohio)

Video: Various Videos “Pastor Billy, my husband Curt feels such a strong connection to you and what you teach. I am pretty sure that he has downloaded everything that you have provided on your website. He listens to your sermons while he works everyday. The Holy Spirit touches him every time he listens to the Word that God has given him from your mouth. Again... I want to sincerely thank you for all you do in the spirit of the Lord.” (Cheri from California)

Video: Various Videos “Hi Pastor Billy, I have started watching the book of revelation studies. I've always found Revelations hard to understand, as to the human mind it sounds sci fi. Yesterday I watched all of the Are we in the Last days series. Good job. I like in ya face preaching that tells it as it is and doesn't sugar coat things. Since my friend and I have started following bible prophecy and what's happening in the world it seems scary at how fast it all seems to be happening. Thank you again.” (Michelle from Australia)

Video: Various Videos “Billy man, I just wanted to thank you for allowing God to use you in such a powerful way. I live all the way in Texas, but I've been extremely blessed by all your videos and teachings. I love the energy and style you bring. I pray that God will bless you seventy-seven fold. Keep up the awesome work. Your family is in my prayers. Your brother in Christ.” (Michael from Texas)

Video: Various Videos “God bless your ministry!! Pastor Billy is my "online pastor" since my church home has turned towards a wishy washy service. Thank the Lord for you guys and your teachings. Thanks so much for your ministry. You are touching so many lives!! God Bless you guys!!!! Your sis in Christ.” (Lori)

Video: The Book of Revelation “Thank You for Sharing the book of Revelation... Most preachers shy away from this amazing all-telling book of the end times.. I am trying to prepare a many people as God will have me, because God says in Isaiah 55: 11 so will My word be which goes forth from my mouth; it will not return to Me empty, without accomplishing what I desire, and without succeeding in the matter for which I sent it.” (Christine from California)

Video: Various Videos “Hi Pastor Crone, I am a huge fan of yours after a friend sent me your teachings. :)” (Lyndsey)

Video: Various Videos “Hello, I have been deeply touched by your videos. I am working as hard as I can to gain a full relationship with God and Jesus Christ. Would you pray for me that I continue in the right direction, and that I do whatever is necessary to make it to Heaven? I know that it is more important than anything else. I have always been a Christian, or at least I have always thought that I was, but I am only recently fully aware of the extreme importance of getting right with God. Thank you for your inspiring videos and information.” (Tim)

Video: Various Videos “awesome channel, God bless all your endeavors for the coming KING.”

Video: The Final Countdown “Amen brother-thank you for posting-Jesus is coming soon! I can almost see Him on the other side of the clouds getting ready to meet us in the air! Come soon Lord Jesus! Video: Radio Interview “Hey pastor billy- excellent program you did on Dr Stan's radio program again! Your'e the BEST i've ever heard on the UFO issue- congratulations, you REALLY have got it down! Yes, UFO's are demonic apparitions from the interdimensional realms. Nice to hear you've come out of the New Age- i too have emerged from this hellish realm too- used to live in mt shasta and sedona arizona- both new age portals to "higher consciousness". Have read all of their material so have become 'wise as serpents' and know the enemy well. I could go on. Anyways, nice work my friend. Salaam.” (Jonas from California)

Video: The Book of Revelation “Hey Pastor Billy hope all is well. I saw your sermon today, and thanks for the spiritual slap. I've been wanting to donate to the hungry and poor, but in today's world filled with scammers its hard to find an honesty organization where I feel my money is going to what I'm sending it for. In your sermon today you showed a young pastor from Alabama. What was his name and do you know if he has some type of website I can check out? Do you know of any legit Christian organizations that feed the hungry and spread the word of Christ, one biscuit at a time if need be? Brother in Christ.” (Tim from Colorado)

Video: The Book of Revelation “No one is falling asleep during his sermons.”

Video: Various Videos “Hi Pastor Billy, Thanks for the videos that you are sending. I also ordered one of your books today. For the first time in my life I am excited to be a Christian, and want to help anyone that I can come to God. My brother and I are planning on setting up a website with references to good Christian resources and we plan to use information and links to your website if it is ok. I have been doing a lot of searching the last few months and there is so much misinformation out there online, there is more misinformation than the truth. If you're interested in a little of my recent history, my Dad recently passed away this last January and it was like a huge slap in the face to wake me up and let me know to get right with God. One of the last things that my Dad told us as he was having a massive heart attack was to be sure to make it to Heaven. I not only want to make it myself, but I want to take anyone I can along with me. Thanks again and I will remember you in my prayers.” (Tim from Idaho)

Video: Various Videos “Hello Pastor Crone! Greetings and grace and peace from The Lord our God and our Savior Jesus Christ! This is Ryan from New Jersey. My girlfriend Erika had contacted you about us coming for a visit which we did back in May of 2009. We of course had a great time at the service, meeting the church family and getting to spend fellowship time with you at her favorite restaurant in the universe (and on your faves, I believe), Chilis. I hope it jogs your memory now! In any event i was just writing to say hello and catch you up on things. I'd also like you to know that my girlfriend is my wife. Erika and I got married in November 2010. We are close to 6 months in and I am happy to report that there have been no casualties as of yet. We are having a great time and trying our best to grow in the Lord with each passing week. We both attend my

church, in New Jersey, and I am working as the youth teacher and leader for teen activities and outings. We still watch your DVDs and most recently watched "Standing Firm." It was great! We remember meeting Kyle during our visit (I believe he was headed to California at that time, correct?) and all the work he has done serving the lord through A/V work at the church. Please let him know we were very impressed with the cinematography! So I hope you are doing well and that The Lord is blessing you abundantly. We are so grateful for the time we spent at NFBC and for how gracious you and the entire church family was to us. We have given out many of your DVDs to people all over the NYC metropolitan area and lots of parts of the country. It's wonderful to see how the hard, strenuous work you put in for our Savior Jesus Christ produces so much fruit! And we hope to take a trip up there in the near future and see everyone again! Have a great day and God bless. In Christ.” (Ryan from New Jersey)

Video: Various Videos “Hi Pastor Billy, My name is Alex and i live in Erie, PA. I came across your podcast after having a prophetic dream about a time in the last days. I've never had any kind of dream like this ever and when I woke up I feel that God has shown me this dream. Just a brief history about me. Im Russian, 23 married with 2 wonderful children, raised in a christian family, going to a great russian church and serving there in the worship team by playing bass guitar. Love God all my life and live to worship him. I've always been fascinated about the topics creation and the end times. But had a lot of unanswered questions. Like you would say, i knew the answers to the test but couldnt see the reality of what is going on in this world. After the dream that i had i started researching about the last days and Jesus second coming. I got into it and learned about groups like the illuminati, freemasons, etc.. About the satanic music industry and how much it affects people. I was amazed on how much a lot of things are secret and hidden. Then I searched on my ipod for sermons about this topic, and I found yours. It really blessed me. Everything that was confusing to me became clear. I really appreciate the revelation and creation series. My relationship became more closer to God and im telling people about Jesus and that he is coming soon. But my main reason for writing to you is if there is a possible way of having the series on dvd sent to me. I know people have done that previously and im willing to pay for copys. I tried downloading from the website but for some reason it wont work for me. I would love to copy them and distribute them out to friends and family, and to other people. Thank you again and may God bless you.” (Alex from Pennsylvania)

Video: Various Videos “Hi Pastor Crone, I hope you're having a great week! I am on the series 'A Judged Creation' now and plan on watching all of the videos you have on the youtube page. Thanks again and keep up the great work! Take care!” (Nikeda from Texas)

Video: Various Videos “Pastor Crone, I have been listening to you on YouTube and am posting many of your last-days prophecies on my Facebook Wall. As I am unfamiliar with you but am a Judeo Christian, **YOU ARE POWERFUL** and I want all that I know on my page to hear you. I have been privileged as a Believer in Christ Jesus to sit under

some of the most tremendous teachers and when I found you on YouTube, your message resonated with everything that I know to be coming. Thank you for your response,”  
(Lori)

Video: What Does the Bible Say About UFO's? “Grace to Niagara Frontier Bible Church and Pastor Billy Crone: I have watched your videos in youtube.com about "What Does the Bible Say About UFOs?" and I had this question cleared my mind. To God be the Glory in Jesus' most wonderful name. Amen. I want our families, my wife and our future children to be saved and to be brave to face our daily lives. Again, maraming salamat po (Thank you very much) Sincerely.” (Antonio from the Philippines)

Video: The Book of Revelation “Anything it takes, Lord, anything it takes. This is MY public plea & desire to you, anything it takes.” (Debbie from Texas)

Video: The Secret to a Peaceful Life “Praise God for the conviction HE gives us, thank you Lord for the burden you placed on our lives that we may be feeble human, imperfect, rotten human, that we are nothing and worthless, and THANK you LORD for the sacrifice that you gave your only forgotten Son Jesus Christ to take my place on that cross, taking every single lash , every single whip, ever inch of your body , your perfect, Holy , sacred body that , we , us as rags of humans, destine for hell that we, may know the perfection of you.”

Video: Various Videos “Thank you so much pastor. I've just been very blessed through these studies that I would like to share with other people. I appreciate all the series that you teach and looking forward to listening to your testimony. Thank you again and may God bless you.” (Alex from Pennsylvania)

Video: Various Videos “Hello Brother, first, Thank you for adding me I watch your teachings all the time, I love them!! Thank you for teaching the truth! God Bless you my friend.” (Jesse)

Video: The Book of Revelation “Hi Pastor Billy, I am listening to your video Rev 3:8a . At 48:10 (sacrificial) I am reminded of a moment that happened to me over 20 years ago. I wanted to let you know how much I wish I had someone like you over 20 years ago to TEACH ME what to do in situations like that. To take it step by step and to TEACH what G-d wants us to do. As you said, we must always "strike when its hot"....no pun intended of course :) and this would also apply to when the Holy Spirit wants to heal someone....G-d is definitely using you Pastor Billy! Thank you :)” (Lynsey)

Video: The Witness of Creation Book “Pastor, I wanted to put short excerpts from your creation book as my status every now and then. I was just reading the section on logic and just find it so compelling that I felt I needed to share.” (Mark from New York)

Video: The Book of Revelation “Hey Billy, loving your Revelation Series ...great stuff, thanks for sounding the warning as you have been, keep it up!! In Christ.” (Tim)

Video: Various Videos “Hi, I have just ordered your book on the Christians guide to the skeptic. You do a great job and I enjoy your preaching style. Keep up the great work. Thanks.” (Michelle from Australia)

Video: Various Videos “Your Pod cast are awesome....I want to praise Christ 24/7 not a killer C or T as you call out on your Podcast....Through Christ you have helped me GREATLY! So I thank Christ for you being a tool for Christ...All Glory to Christ Jesus! Thank you Sir.” (Shawn)

Video: Various Videos “I watch your sermons all the time! Awesome.” (Matt)

Video: The Secret to a Joyful Life “I just got done listening to your pod cast about a joyous life...# 5... all I kept thinking about was the homeless people I see time to time and all I do is give them a juice box or a sandwich....I even got one guy a 10\$ subway card.... I used to walk by people like them who I easily could be... I look at my kids and wonder what will be our destiny... could I handle it when some thing like this happens and they too are bloated and crying... I gave that man that meal card and when I drove away... I cried all the way home...because all I could think about was is that could be me.... and the vets that myself being one could be among those living with out GOD! .... I wonder how many souls can I help by giving a sandwich too and then saying Jesus loves you... I don't want brownie points with GOD..but I do want to help.... not help me.. but them... and then I look at my self and see a guy who barley knows any scripture or who Job was... or where to find anything in the Bible.” (Sean from California)

Video: Various Videos “I loved your youtube content from Billy Crone. Is there some way I can see more of the sermons and teachings from this church? Thank you.” (Jason)

Video: Standing Firm “I finally got to see Standing Firm. Thank you for taking a part in that movie. God Bless.” (Will from Florida)

Video: Various Videos “Brother Billy, Thank You for providing me with a New Life with Christ. As a child I was brought up in the Church and around some Wonderful Saints of God, but as we are lead away of Satan I too started to look around me and not up. There were a number of people in the Church that I looked to that were not very good roll models for Christ at that time and I didn't want any part of Religion if that was it. So at the age of 12 I decided to get as far away as possible and envelope my life with the world knowing in my Heart God was married to the Backslider “Important Later” My Grand Mother Lovett was a True Prayer Warrior and I truly believe without Her and My Mothers Prayers God would have gave my soul over many years ago in order to save the souls I destroyed. So There Is A Plan. Any Who: While Living in the world I still Prayed almost daily and did Thank God for the things he allowed me to obtain in this world and as well His allowing me to choose the most Perfect of Wives (Celebrating 21 yrs of Marriage this Year) God is Great. I Know the First Few times I called You or You called me and I was Blubbering you had to be wondering if I needed More than You could Offer... Well I did, but You served Him Up On A Golden Platter and My Soul Began to be Enriched with Gods Saving Grace Ever Since. I Hope you remember when we met, I

told you I wanted to prove to my Family this wasn't a passing phase I was Born Again and had a Duty to Christ. Well I realize now, that can only be shown by my actions with what life God has left for me, but it has been one year now since I was surfing Alex Jones Stuff and found your RFID study. Then found some more of your Testimony on The Eleventh Hour I believe, before finding the Mother Load Of Media On The [www.GetaLifeMedia.com](http://www.GetaLifeMedia.com) web site. I WAS HOOKED !!! I spent just over a Month at my shop because I could download and watch the Sermons so much Faster than Home Wifey worried a Little but we have a nice motor home as an office so showers and sleep were all good when I could break away. I knew going into this it wasn't gonna be all Peaches and Cream but I wasn't at all Prepared for the Spiritual Warfare the Demons had in store. See Brother Billy back to the Back Slider thing there became a point in my life God didn't even talk to me. I Abused the Mercy of Christ and was convinced by satan God never heard my Prayers and all I had in life was Owed to him (satan) and I was so Wicked and committed so many Souls to Hell God would never save my soul Again. May I Quote You? "That was a Lie Straight from the Pit of Hell" God Has Saved A Wretch Like Me!!! After Burning out a few (3) DVD Burners replicating your Sermons by request for each one "is the awesome part" I shrugged it off and my Son just bought the Old Man an External Burner that was super fast compared to what I had been using with the built in ones. So along with this came the Daily Trials I cried to you about, I mean satan had me turned inside out convinced I couldn't save anyone I wasn't even a Father to my own and couldn't be a light to them after seeing my actions over the years, and through all of that you talked me down and was so willing not only to listen but Guide me. Then my life was changed even more with the Rape of my 12 yr old daughter. I did want nothing more and had been convinced by satan that if I was to spread the word of God that was how I was to do it in Prison serving life for this act. After talking to you I saw the clear vision of Gods Saving Grace and the Hatred was gone from my Heart. Everyone I know. Knew I was going to kill this young man yet God did provide a saving Grace for Both of us. So with all this you were right there for me like I was the only soul that mattered – You saved our Lives.- I Know God Deserves The Glory. I just have to Thank God for You Being a True Tool of Christ. Thank You for being You. But keeping the Faith and I do know God has a purpose for all things and we don't always understand them. I do know in this case God has shown many he can Change a Mans Heart and has given me the ability to witness to others when they ask me how this guy is still alive. So it was right around this time I believe I was Bragging to you about Over a Thousand Sermons Served so satan had to hit me with a biggy. Well life has gone on and we way made it past that and I loved serving up your sermons to anyone that would listen even to the point several Family and Friends would meet every Sunday Night at my house and have a Home Made Prayer Meeting with a Side of Brother Billy and the daily trials seem to almost go away and my whole Family has been Alive in Christ but as we know when all is good watch for the trials to begin well my 41st. My disabled mother whom has lived with us since 04. Fell and Broke her ankle and my wife not thinking took off behind the ambulance leaving food cooking on the stove and as you know we lost our home the day before Easter. Well I understand the house thing it was serving Christ and not Hosting Demons anymore, Mom well its just brought us even closer together (Now she's stuck in the same room as me and is getting a Super Dose of your Sermons) which she Loves and is Proud to help anyway she can to get them produced. I did loose my new DVD burner in the fire along

with about 4 grand shop cash. So I was a little beside myself. Seemed Like Everything I have Built in 41 yrs. Was gone, well maybe that's what this walk requires of me, Truly Cleansing my Past and everything my Family will ever receive again will be not only of Christ but from Christ. No were not gonna live out of Dumpsters (We Own a Salvage Yard) but we will be much more thoughtful of everything we are blessed to have. So, much like my Daughters Life Changing Experience "satan has failed again." A friend of my wife set up a donation account in our local Wachovia Bank but with so much more going on in this world we haven't received much. Nor do I want to. God and I are going to do this, but I do Thank Anyone with the Church that has Helped us. We Truly just need Daily Prayers Going up in our name and we remember the Church just the same. So as I can see Now my Testimony will continue until the end of time. Even Mothers Day and since the accident NONE of my Brothers or Their Children have visited my Mother or even called her "Jesus Please Help Me To Understand This One". What has my Mother done to Anyone? But as I Repent Daily and God Cleanses my Soul of Hate I can just Pray there will be some understanding from others in my actions and again I need that daily Prayer from our Prayer Warriors that Helps Keep Us Strong In Our Faith so we don't fall Victim to the Demonic Hosts that we come in contact with Daily. God is Good even if Not Understood. A lot of People will Never Get the meaning of that and I will be considered a fool to them. Thank You !!! That is Just the Fact that Claims me for Christ and not the World. Oh and in all this I haven't mentioned the 140 some few thousands of dollars the SEC is presently trying to get a Judgment for in California against me. When I Live in Florida. So come to The Father, The Son and The Holy Ghost ready for War. I'm going to be Honest with you. If your walk with God is Easy, Something is Wrong. satan Told me when I made this Life Change that he would take everything I had. He's done a pretty good job but God has held My Immediate Family and our Company intact for the time but if it all goes. It's for the Glory Of God. "I Have Nothing But God" Brothers and Sisters in the Faith Get ready. We have just begun to Suffer for our disobedience to God and to those outside the Faith. Please Give God A Chance. You are not who you are by Chance and the last year has taught me your day to day isn't even ours. We belong to Christ and his Will. will be done. Please every one keep this in mind if the doctor told you something was wrong with your child, you would research that illness and do everything in your Power to Protect that Child. Well Please Understand God IS REAL. PLEASE pick up his Book. Read and understand how to save your Loved ones not just now but for Eternity. There is No Better Diagnoses. Come to God Now and Save Yourself then God will use you to save the others around you. I Thank God for Every Day. I am not Perfect but I am the Christian God wants me to be Today, God Bless you all, I will try and update for my 2nd Birthday in Christ should God give us Time. Thank You Again Brother Billy and Family, when I get a txt from you that the Family is Praying for us I remember those Angels and the Power of God in your Family. I always stop to Pray myself. No matter where or what I am doing and that's the Unity in Christ we all should have. "You are My Moses" My Banner will be Clear. And Thank You to all the Media Knights that sent me Everything on the Web and More. Did hear a little from wifey about the download time I spent and I told her – Now I have everything on a Hard Drive and this Awesome set to Present at Churches, and Off from there Love and Life Begun. So again Bless You all and Thank You for Your Many Prayers also. In God We Trust." (Bobby from Florida)
