Video: Radio Interview “Hi, the interview that you did with soaring eagle about the wedding meant a lot to me, thank you. I will pray for you to keep regulating your life by the Holy Bible through these times. Bye.” (Jackson)

Video: Various Videos “Pastor Billy Crone, the purpose of this message is simply to say thank you for being a voice of reason in this insane world. Your well-researched and profound sermons have brought me closer to Jesus and the truth of the times in which we live. Truly, thank you.” (Andy)

Video: The Rapture “Thank you Billy Crone & team @ Get a Life. We received the DVD pack here in Port Macquarie, NSW Aust. after only 7 DAYS from ordering. Anybody who upholds the truth about the imminent rapture by our Lord Jesus Christ gets our full support. Satan is very active using his 'ministers of righteousness' to sell the lies to lull people to sleep. Let us know if we can help facilitate your ministry in sleepy Australia. Greetings in Him.” (Kyle from Australia)

Video: Attack of the Drones “I was watching you on Paul McGuire's show on God TV and I would be interested in your DVDs on Drones. I'm from Boulder City so we are neighbors. I DVR all of Paul McGuire's shows. Yours has been the most interesting. Awesome.” (Cheryl from Nevada)

Video: Various Videos “Hi pastor Billy. I follow your teachings here from South Africa...Thanks for your teachings and God bless.” (Carien from South Africa)

Video: Various Videos “I found you by looking up information on the Rapture. I played most of the studies in the background while I was working on my computer. I just finished the second study on Mormonism. I look forward to continuing when others are posted. The one difference I have with you is I like to eat chicken. Please let me know what you have against eating chicken. Thank you.” (Dana)

Video: Various Videos “I am 49yrs old and I have been following your Church for a couple of years. I live in Yamba NSW Australia. Regards.” (Kathy from Australia)

Video: The Rapture “Pastor Crone I purchased your book The Rapture Don't Be Deceived. Love it. I have read the bible numerous times & I cannot come up with any other position except a Pre-Trib rapture because the evidence supports it. I left the Catholic church in 1980, never looked back & began reading the bible & the fire was lit. I let the Word of God speak to me & if I don't understand something then I research it out with a Concordance & or a Commentary. I thought I had the Pre-trib position down pat until I read your book & realized how much I was missing. There's a lot of revelation in your book about the different rapture positions that I was ignorant about however I can now speak with someone about the different rapture positions with more more clarity. Thank you for your book.” (Walt)

Video: Various Videos “I've been listening to your studies on World Religions, cults and the occult on Youtube and it's been a tremendous blessing to me. I try to relate some of it

to my husband but MAN! so much information! He is working ploughing ground for a farmer which means lots of hours in a tractor, so with this said we were wondering if you would have this whole study on mp3? I would really love for him to hear all this and time to sit in front of a computer or tv is just not feasible for him. Thank you so much!" (Brenda from Canada)

Video: Various Videos "Comments: Heard you on VCY months ago, but just listened online to your testimony. Thanks for posting it. I too grew up in Kansas. Moved to Tulsa where I believed the Gospel. Before moving back to Kansas I was concerned that no one knew this Jesus in Salina because no one ever told me of Him. I make it a point when giving my testimony to believers to mention that. Thanks again." (Bernadette from Kansas)

Video: Various Videos "Hello Pastor Billy, we will be watching more of your videos. Good Pastors are becoming rare. Maybe they were always rare. (smile) GOD BLESS you, your family and your church family." (Alice from Canada)

Video: The Rapture "I'm loving your book, The Rapture! God Bless You!" (Mary Lu)

Video: Various Videos "I believe I have gone through pretty much all of your messages on World Religions, cults and the occult and I just want to say THANK YOU SO MUCH for all the work put into this, for your boldness and commitment to the body of Christ. I have learned more through these studies than I have my whole Christian life. And I got saved in 1989. I have been put through the wringer by the so called "church" because of my desire to take the Word of God seriously and not compromising. GOD has blessed me tremendously through the tough times as well as the good times. I am His forever and He is mine!!! These teachings have given me a desire to press on and warn others even more that this Christian life is not a joke and nothing to play around with. For we serve a JUST a loving GOD and a JUST GOD and He deserves our very ALL. Well, Pastor Billy, I know you have better things to do than read emails from all the people who listen to your messages but I am just so thankful to my God for directing me to your videos. How I found them? Not sure! I just believe my Father love's me and wants me to know the TRUTH! Wow! Your congregation is blessed to have you as their pastor and I praise GOD for the internet for I too am blessed to be able to learn, pray and go out with more boldness, truth and fervour because of your teachings. Continue on brother - be encouraged to know that someone is praying for you and your family here in Eastern Canada." (Brenda from Canada)

Video: Various Videos "I have listened to many of your interviews with Paul McGuire. I have learned so much and your wisdom and knowledge has answered many questions many people ask me about. I just wanted to thank you and tell you I will add you to my prayer list to intercede for you, your family and ministry. Shalom and Maranatha!" (Rae Lynn)

Video: Various Videos "Dear Pastor Billy, I have really enjoyed all of your videos!!!! You are full of knowledge and exposing all of the lies we were taught and I have had

many. I am 73 years old. LOL Keep sharing the word and I am helping too, to get your message out to all my email friends and on Face Book...We have got to warn the people about what is coming!!! Your Sister in Christ.” (Fran)

Video: The Book of James “Thank you Pastor Crone for your podcast breakdown of The Book of James. I'm having difficulty in my marriage, God gave me The Book of James. It's been a blessing to hear your podcast while I work. Do you have any plans on finishing the book on a podcast? Thank you! May God continue to bless you.” (Manuel)

Video: World Religions “Hello, right now I am trying to keep up to date with the World Religions study on the Wednesday evenings. Being Dutch and from the Netherlands, someone send me a link to a video where a mormon is explaining other mormons how to get prepared when going on 'mission' in the Netherlands. But the interesting thing is... apparently the Dutch managed to evangelize him. Well :) just a funny thing I wanted to share. God bless.” (Joel from the Netherlands)

Video: The Final Countdown “Dear Pastor Billy, I first heard you on Jan Markel's radio program online. The interview was just up my alley. I decided to check your ministry further and came across your "Final Countdown" videos on you tube. You sir are the first Pastor I have come across that I agree with almost 100%. Sir, you preach gold. If I had mountains of cash I'd develop another CNN except Christian News Network. I'd broadcast worldwide, and your message (indirectly the Holy Spirit's) would be prime. This is sadly the most neglected message. This is what the world needs to hear incl. the Bride. Anyway, I'm so stoked. I'm on video 22 I think. You are so inspirational!! Thank you, truly Thank you for obeying Christ! I'm a wretched Christian but my desire in my heart is to gain the same courage Pastor Billy and place my Saviour first - The Lord Jesus Christ. Pray I get there. I desire to share your message. By the way I love your style, a bit of humour first and then the true seriousness of it all. Love your sense of humour. Lord Bless brother.” (Joel from South Africa)

Video: The Final Countdown “Hi pastor Billy. I have recently been handed a DVD set of the final countdown series. We are really enjoying watching them. I think you are doing a great job. Yours sincerely.” (Troy)

Video: Various Videos “Hello Pastor Crone, I know you are a busy man so I will make this as short as I can. Thank you for opening my eyes and turning me to Jesus Christ. I always believed in Him but was brought up Catholic and as an Environmental Studies Major at SF State I was neck deep in occultic lies. Thank you for saving me. I now share the gospel and what you teach to my little brother and sister to snap them out of the indoctrination they suffer through school. That being said, I feel incredibly alone because I am sure as you know the bay area is a mecca for so many wicked things. I can't speak the truth without being labeled a bigot. I want to surround myself with good people and fellow Christians. Thank you very much and have a blessed day! Best.” (Pedro from California)

Video: The Rapture “Thank you for your explanation of the Revelation 12 'prophecy' that is currently widespread. Also I've just read your book 'Don't be deceived' which has really blessed me. Many blessings.” (Graham from the UK)

Video: The Love of God “Billy, It was so nice to meet you!! Your Church is so blessed to have you as their Pastor. Thanks for all you do. Your work is absolutely amazing and you have and will help so many people. Thank God for you!!!!” (Julie from Arizona)

Video: Various Videos “Hi Pastor Billy; My husband and I are hooked on your messages. We've been so encouraged by how GOD confirms His Word to us through them. Seems like very few people in the "church" today really see or seek the Truth. I once read a book where one of the first lines in the book said "People aren't leaving the church to forsake the church, they're leaving the church to preserve the church." This is what we had to do. We live in a small community with several churches but they're either very liberal with no discipline over gross sin or charismatic and seek only signs and wonders. (And we are the weird ones.) We were practically told to leave in no many words. So please believe me when I say your videos are a GOD sent. We meet here in our home with another fellow who's heart is sold out so he's enjoying your videos too. Today I decided to listen to your Discipleship 101 series. As I listen to the first message I was reminded of when I was in high school questioning where do I come from, why am I here, what is this life all about and where do I go when this life is over. I was lost, on drugs, began drinking when I was 13 and I was a mess. It wasn't until I met Jesus Christ that my questions were all answered and so was inspired to write this song. Thank you so much for all you do for the True body of Christ! For such a time as this!” (Brenda from Canada)

Video: Interview “Hello Pastor Billy. Thank you so much for your ministry. I heard your interview with Jan Markell. You mentioned how witchcraft is infiltrating the Church . I go to a small fellowship in North London UK. They have a love for Israel and teach the rapture but recently there have been a group of people speaking against the leadership and great division over the rapture. Please pray for my church . Bridge Lane Christian Fellowship . Our pastor is Tony Pearce a dear brother in Christ. Blessings.” (David from UK)

Video: Various Videos “Hi. I have been to your church a few times and I listen to your sermons regularly. I feel a strong need to be baptized. Can I get baptized at your church? I am from CA and have not found a church here yet. I was baptized in 1995 but afterwards found out the church was a cult. It was called Church of Christ and they were formerly called "The Boston Movement." They forced me to get baptized, completely badgered me until I did. I don't think that is legitimate. I was traumatized by them and it took me several years to find faith. It was because of you. I play your sermons to my unsaved husband and to my son. I am at the moment the spiritual leader in my family. During the summer when he is off work he promised to attend your church. It is 5 hours each way. I need to be at Sunrise. Thank you for your time.” (Melinda from California)

Video: Various Videos “Dear Pastor Crone, I have heard your teachings many times on: Jan Markell, Lamb and Lion Ministries, Prophecy Watchers, etc. I just recently tuned in

to Prophecy Watchers and saw you there. Something you said really rings true to me: End time Bible prophecy should be taught and studied in church; it would lead to more urgency by Christians to witness. It's amazing to me that we seem to be living in the end time, and yet end time prophecy is not being emphasized in churches. I look back to my conversion from Catholicism in the late '60's, and remember what a large part Hal Lindsay's Late Great Planet Earth played in blessing my decision to accept Jesus as my savior. I had never heard of the rapture in the Catholic church. My husband, John, was also a Christian who converted from Catholicism. He went to be with Jesus just a year ago at the age of 64. I miss so much being able to have Christian fellowship with him. We tried many churches here in the Salt Lake area, but were never able to find a church that emphasizes end time prophecy. Since you are only a few hundred miles from here, do you know of any churches here who do emphasize eschatology? I know you are very busy, but if you do know of any such church, I would really appreciate hearing from you. God bless you and your ministry.” (Jean from Utah)

Video: Various Videos “Aloha Billy: I’ve watched you so much I feel very comfortable with you. This is Les Brown, the guy from Hawaii, who lives in China, Terry’s friend, the guy with the tracts, etc...I had bought your Rapture series when I last went to the US and you included an extra book – thank you. I took your DVD set on the Rapture with me to the District 88 Toastmasters Conference in Beijing last week and was able to share it with Mohammed Murad, from Dubai, former Toastmasters International President. Your work is going around the world! Keep up the great work you are doing. God Bless.” (Les from China)

Video: Various Videos” I wanted to offer encouragement to you Pastor Billy! I follow your teachings concerning the soon coming rapture and all of the associated Bible prophecy. The info. you distribute is phenomenal! Since my salvation in 1981, I have been looking up (for the rapture) Now it seems it definitely is at hand. How can the world get much closer to the tribulation without it actually starting? God bless you and your ministry. Your Brother in Jesus Christ.” (Howard from Texas)

Video: Various Videos “Hi Pastor Billy Crone. I hope this finds you well, I have been watching your podcasts on YouTube for years and love them. I belong to a small farm church in Iowa.” (Michelle from Iowa)

Video: Various Videos “Hey Pastor Billy! Jim here in Ohio. I've been tuning in on your website for several years now and I also had the opportunity to go through your Final Countdown series on DVD. I just wanted to take a moment to say thank you for the ministry that you do. I've shared your webpage with many folks that want to stay up to date on current events and lively topics that most Pastors today don't want to tackle. I'm praying for you and your ministry and just wanted to take a moment before bed and say thank you so much! (I'm halfway through your dinosaur series and it has been outstanding!) God bless.” (Jim from Ohio)

Video: Various Videos “Thank you for all the great teaching. I have learned many interesting facts. Love the Roku channel.” (Tami)

Video: Various Videos “Brother Billy my wife and I so appreciate your ministry and encouraging words to our Blessed Hope!:) We make our home in Nashville along with our therapy dog Molly. We are missionaries with the North American Mission Board (SBC).” (Ron from Tennessee)

Video: World Religions “Good afternoon, Pastor Crone. My wife and I absolutely love the Mormonism study. My wife (a former Mormon) and I live in Utah and we find it difficult to witness to Mormons. Your videos have definitely helped. God is doing an amazing work through you! I browsed your website hoping to find this "workbook" that you mention in the videos to follow along, but I can't seem to find it. Do you happen to know if my wife and I can get our hands on a pair? Thank you for everything you're doing and God bless you!” (Sam from Utah)

Video: Various Videos “Hello Brother Billy. Several years ago my wife and I visited you and your family while attending a worship service at Sunrise Baptist Church. Both of us were greatly impressed with the quality of Sunday School and with you preaching the whole counsel of God. We only have a limited amount of time left. We don't know how long it is going to be before it is illegal to openly preach Jesus Christ. Our free speech rights are limited on college campuses as these are institutes of indoctrination and the administration calls the police on those that present dissenting opinions such as the truth found in Scripture. The rapture of the church could happen at any moment. The only thing that we can take to heaven are other souls. And that is done by preaching the word of God truthfully and people becoming born again by the Holy Spirit. Brother Billy, even though you have much opposition because you do preach the whole counsel of God, please don't falter. The most important job in the world is the one you have. There is no higher calling, because souls are at stake. I would like to encourage those that view your sermon series to absorb the material that you teach, especially on Discipleship 101 and 102. Learn from these so you can be thoroughly equipped in the faith. I can't say enough about the quality of teaching that Billy puts into his classes. If it wasn't so scorching hot in Las Vegas, we might have considered moving there to be a part of your ministry. God bless you.” (David from Louisiana)

Video: Various Videos “Dear Billy, I've never actually stopped to the very end of the salvation message but today I thought I should, and there's your email! I am currently going through 'the character of God/ the love of God'. Fantastic teaching! I've been a 'fan', if that's the word (err...?) for a year or more I guess and have really loved and grown through your teachings- and I love the corny jokes!!! ☐ I came across you via your UFO, the last great deception and am eagerly waiting for the next part on Mormonism. WRCATO, what a wonderful teaching!!! I've been a Christian for 30 years, but only recently has it started becoming clearer to me through yourself and others online. I am currently going through the minor prophets and cooking tea. Ever heard of 'Messy Church' in the UK? Sounds dodgy to me! Anyhoo Billy, I just wanted to say Hi; and your wrong about Chicken ☐. I pray God continues to bless your ministry. And a prayer for my brother, Tony, would be appreciated- he's into Wicca and wont listen to me. Regards.” (Colin from UK)
